

## Inventions, inventions

### *Chorus*

Inventions, inventions, some are **truly** great.

The \_\_\_\_\_, the \_\_\_\_\_ and the \_\_\_\_\_.

Inventions, inventions, some are truly **hip**.

The \_\_\_\_\_, the \_\_\_\_\_ and the \_\_\_\_\_.

\_\_\_\_\_ **did** Graham Bell invent?

**Was** it something \_\_\_\_\_?

\_\_\_\_\_ **did** he invent it?

And do you know the date?

### *Chorus*

\_\_\_\_\_ **did** Roland Hill invent?

**Was** it something \_\_\_\_\_?

\_\_\_\_\_ **did** he invent it?

And do you know the date?

### *Chorus*

\_\_\_\_\_ **did** Orville Wright invent?

**Was** it something \_\_\_\_\_?

\_\_\_\_\_ **did** he invent it?

And do you know the date?

### *Chorus*

# **INVENTORS**

## **Graham Bell**

Graham Bell was born in Edinburgh, Scotland. He invented the first telephone in 1875.
