

To our Friends at Tollesbury School,

Thank you for your letter; we enjoyed reading about the activities you have been doing this term. The children in Picasso Class look so cute in their costumes! And we loved the photos you made using the green screen, they are fun and really original.

We didn't know about the book "The UFO diary", but when we read your letter talking about it, a student in Year 6 said that she had it at home. She brought it and the teacher told us the story. As you can see it was a bilingual book- in English and Spanish-

Thank you for sharing it with us ,we really liked it.

Some days ago we celebrated Carnival at school. We love the week before Carnival because Carnestoltes- the King of the Carnival- gave us a different instruction to follow each day:

- On Monday, we had to wear a hat or a funny hairstyle.
- On Tuesday, our face painted.

- On Wednesday, a pair of shoes of different colour.

- On Thursday, a tie or a bow. This day, the last Thursday before Carnival, in Catalan is called “Dijous Llarder”. We went to a trip in a meadow near the school to do different activities all together.

To go there, the students from 3 to 7 years old went walking, and the older ones went cycling.

When we arrived we had breakfast to recover energy and then we started the activities. There were 6 groups:

- Make up and costumes
- Rope jumping
- Make hunts
- Gymkhana
- Relaxation and massage
- Games

We could choose the activity and change anytime we wanted, always respecting the others and the material.

At lunch time the students in Years 3, 4, 5 and 6 brought snacks to share with our classmates and everybody had their own packed lunch. It was really nice to share our food and we spent a great time.

After lunch we had free time to play.

It was a really good day! Also for the teachers!

We had a long weekend because we didn't return to school until next Tuesday.

As we are in Lent time, now we have the old Lent displayed in the corridor.

She has a cod on one hand and some vegetables on the other. She has got seven legs, and every week we cut them one as we sing a special song.

Every week she gives us a good advice to follow.

We attach a link with a video on Youtube of a song about the Old Lent (La Vella Quaresma). It's in Catalan.

We hope that you enjoyed the Science Day and the pop up planetarium. We also wish a great success to your school choir in the O2 Arena in London.

We hope you have enjoyed hearing how we celebrated Carnival.

We look forward to hearing from you again soon.

*From all your friends at Joaquim Vallmajó School*
