

# 7TH AUGUST HARROGATE

## Yorkshire -England

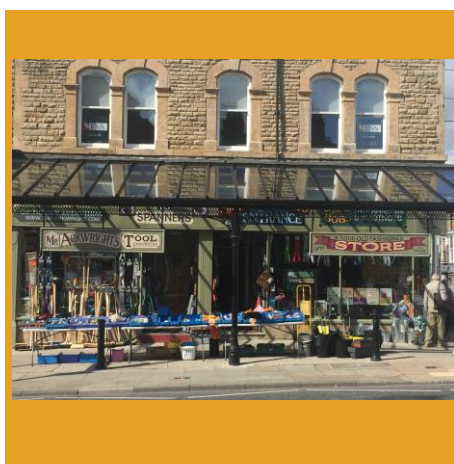

Harrogate is also known as "The English Spa." For centuries, visitors have flocked to the mineral hot springs. Today, those springs still soothe the body while the placid RHS Harlow Carr Gardens and Yorkshire Dales national park stimulate the soul. Tearooms, architecture, and art galleries are the main pastimes in this pleasant town. With four rail stations for easy transport, travellers can board trains running between Harrogate and York, Leeds, Knaresborough, and London.
