# *Animal Research* *Report*

My animal is a Koala. It is a mammal.

It lives in Australia. Its habitat is the forest.

It eats tree leaves.

It is brown with white spots.

It moves up trees.

Some interesting facts about this animal are that the koala can live without water. The koala has got hairy fur, it is large, it has rounded ears and the teeth of the koala are adapted to the food that it eats (leaves).

I chose this animal because it seemed interesting to discover more about the koala. It is very nice.

# FIFTY SHADES OF GREY

You make it look like it's magic

Cause I see nobody, nobody but you, you, you

I'm never confused

Hey, hey

I'm so used to being used

So I love when you call unexpected

Cause I hate when the moment's expected

So I'm a care for you, you, you

I'm a care for you, you, you, you, yeah

Cause girl you're perfect

You're always worth it

And you deserve it

The way you work it

Cause girl you earned it

Girl you earned it

You know our love would be tragic

So you don't pay it, don't pay it no mind

We live with no lies

Hey, hey

You're my favorite kind of night

I'm so used to being used  
So I love when you call unexpected  
Cause I hate when the moment's expected  
So I'ma care for you, you, you  
I'ma care for you, you, you, you, yeah  
Cause girl you're perfect  
You're always worth it  
And you deserve it  
The way you work it  
Cause girl you earned it  
Girl you earned it

On that lonely night  
You said it wouldn't be love  
But we felt the rush  
It made us believe it there was only us  
Convinced we were broken inside, inside

I'm so used to being used  
So I love when you call unexpected  
Cause I hate when the moment's expected  
So I'ma care for you, you, you  
I'ma care for you, you, you, you, yeah  
Cause girl you're perfect  
You're always worth it  
And you deserve it  
The way you work it

Cause girl you earned it

Girl you earned it
