Litter Awareness activities

Ideas for activities

A clean up offers an excellent chance to raise awareness in a practical activities:

Posters and publicity

- Hold a poster competition to design creative encouraging posters from recycling litter
- Produce a notice board display with facts, posters and posters about litter
- Produce a press release about your event. Please send it along to newspapers/magazines for groups who will pass it on to Schools Science and other Council newsletters

Hold litter awareness sessions

Ideas for the day

- Take a picnic basket around litter
- A litter pick, with buses and other vehicles and photos of what is collected
- Encourage parents to plan their own litter awareness activities

You can look at all of the inputs but you will only need to choose 3 to work with on the next stage. It is a good idea to choose a variety of text types (e.g. an infographic and a blog or video and a poster). Take time to watch, listen and read, you can discuss the input materials in class and look for more information if you want to.
