I don't drink fizzy drinks and I don't eat sweets. In my free time I read, watch DVDs, take photos, surf the internet and write emails. I also like dancing. I go to bed early on weekdays. At the weekend I meet my friends and I go to bed late. And on Sunday mornings I get up at eleven because I read or listen to music in bed!

My name's Max. I'm Suzie's brother. I play tennis and football and I love riding my bike. My sister Suzie says I don't eat healthy things but I think she's wrong. At weekends I go out with my friends and we buy fast food like pizza or hot dogs. Hot dogs are sausages in bread. I like them with a lot of tomato ketchup. Suzie says fish and chips are healthy but meat and cheese have a lot of animal fat in them. She says animal fat is bad for my health. Q: Hannah, what's your life like at the moment?

A: It's hard work but I love it. I get up at half past six and we have breakfast at seven.

Then we start filming at eight o'clock. I study in the afternoon and I do my homework in the evening.

Q: Do you like Scotland?

A: I love it. It's incredibly beautiful and it's very quiet. And in the film my family has got a lot of animals because we live on a farm. Tom – he's my brother in the film – and I sometimes ride a horse. It's really fun. I'm learning a lot about animals because of this film!

Q: Have you got any problems with this film?

A: I'm really happy to be in this film. It's a fantastic experience and I've got a great part. But I miss my family and friends and my cat. It's sometimes boring in the evenings, but we're only here for another two weeks.
