

ADJECTIVES

ADJECTIVES

Hello children!

Us he preparat aquest exercici per treballar «Adjectives», on podeu aprendre a utilitzar-los, saber el lloc on els heu de posar a les frases que farem, cantar, fer exercicis per practicar i també jugar.

•Què he de fer?

En primer lloc heu de llegir la tercera pàgina per aprendre què és un adjectiu i per a què els fem servir.

A la quarta pàgina aprendrem a posar l'adjectiu al seu lloc.

A la cinquena i sisena pàgina veurem que els adjectius ens serveixen per fer descripcions i veurem com queda estructurada la frase.

A la setena pàgina veurem que tant en singular com en plural o canvien.

A la vuitena teniu la fitxa resum.

A la novena un exercici i a la desena les solucions.

A la onzena exercicis per fer online.

Pel que fa a la pàgina icicial:

Si cliqueu al llangardaix hi ha un exercici on heu de triar l'adjectiu correcte.

Si cliqueu al cargolet un altre exercici on heu de triar l'adjectiu correcte. .

Si cliqueu al cotxe us portarà a un exercici on hi ha adjectius per completar frases, per descriure llocs, persones i coses

Si cliqueu a la nota musical podreu escoltar una cançó que si cliqueu a sobre de la floreta us posarà els subtítols en anglès i us facilitarà la comprensió.

Amb un clic a la pel·lícula podreu veure un video que us explicarà els funcionament dels adjectius.

Recorda: A la part de baix i a la dreta dels vídeos hi ha una floreta on molts cops pots veure traduït el que diuen, bé en anglès o en castellà, i també pots reduir la velocitat per poder escoltar-ho més poc a poc i millor.

What is an adjective?
