Lego Turkey

by: Martina 5th

On the 29th of November, I made a turkey from Lego. I have a Lego classic game. Lego company have a website where you can search for instructions to make this figure.

Christmas Cookies!

by: Julia 5th

On Monday December 2nd, we made cookies in English class with Charlie and Celia. In the afternoon we decorated the cookies with chocolate. And later we ate the cookies. The cookies were delicious!

World Diabetes Day

by: Èlia 5th

At school on 14th November, we celebrated the world day of diabetes. We had to go to the school dressed in blue and bring 2 euros as a donation for the hospital Sant Joan de Deu. Eloi's parents prepared some fruits for breakfast. We had a lot of fun and we learned a lot about diabetes. At the end of the day we took a picture of all the people at the school.

Our Work

Students created a town. They wrote and presented to the class.

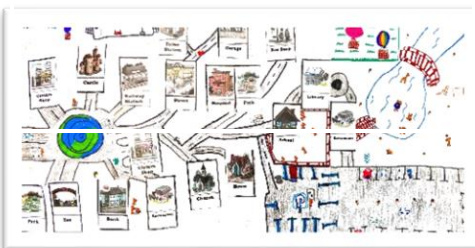

“In my town, there is a restaurant. You can eat Italian food there.”

“A boy fell down in the park and went to the hospital!”

“You can go to the park in my town. Children play football there.”

Students learned about Thanksgiving tradition and made Thank You Cards
