

An aerial photograph of a town built on a hillside. In the upper left, a large stone castle with multiple towers sits atop a forested ridge. The town below is densely packed with buildings of various colors, including white, yellow, and terracotta. A prominent church with a tall, slender bell tower is visible on the right side. The foreground is filled with lush green trees, and a road winds through the lower part of the town. The text "My Town" is overlaid in the center in a white, cursive font.
