

LET'S MAKE AN EASTER CARD!!!

Hello girls and boys!!!

How are you? I hope you are well. I miss you a lot.

If you want, you can make an Easter card for a person you love.

If you have got a printer you can print one of these drawings. You cut it, colour it, fold it and inside the egg or the rabbit you can draw a picture related with Easter or you can make decorations. You can write the name of the person you want to send it, also.

If you don't have a printer, get a white sheet, fold it, write the title "Happy Easter", draw a picture about Easter inside it and decorate it. You can write the name of the person you want to send it, also.

You can take photos of your drawings and send them to me.

(Hola noies i nois !!!
