

ELMER'S COLOURS

David McKee

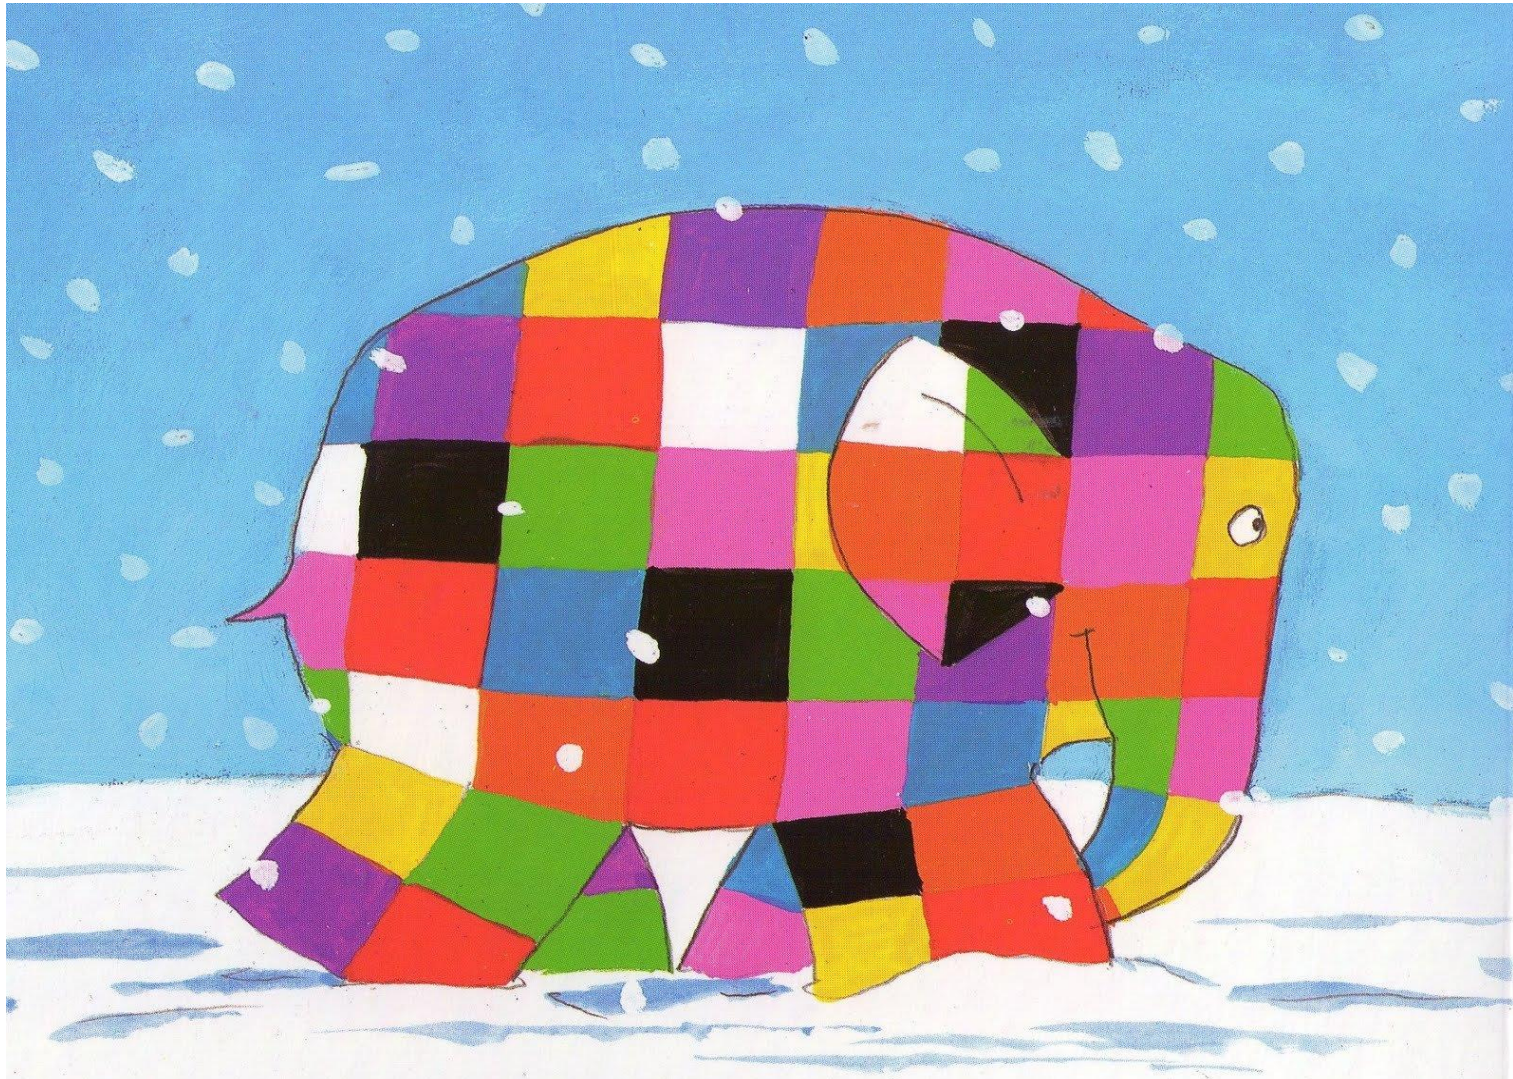

**Black, purple, blue, green, yellow,
orange, red, pink, white.**

**Which is your favourite colour?
Elmer has them all.**

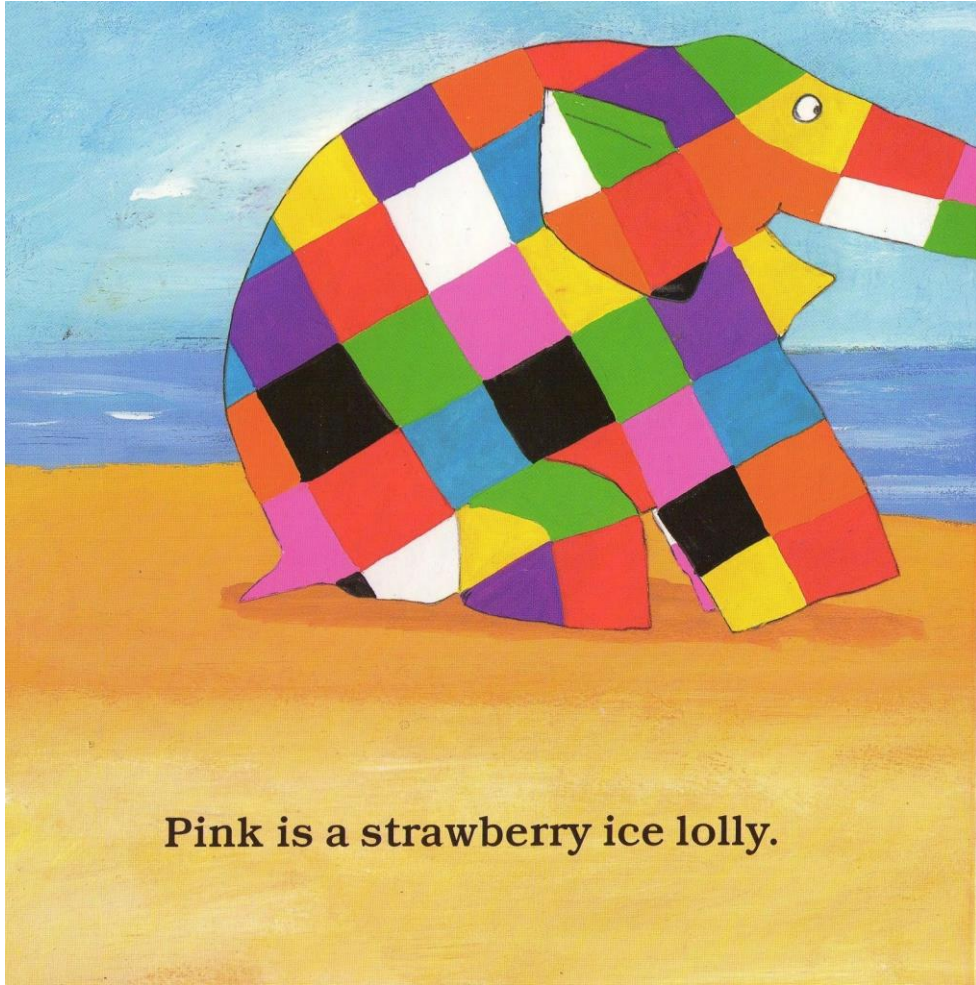

White is a snowman.

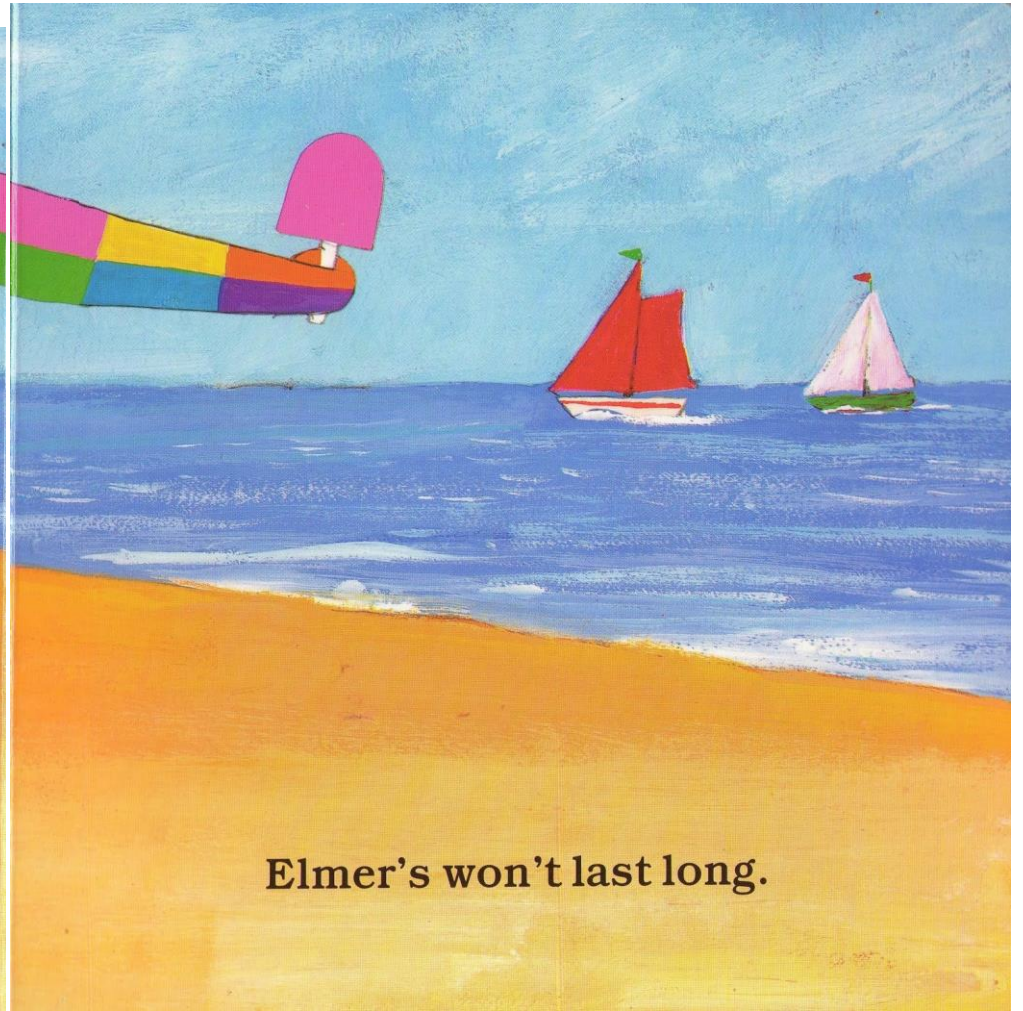

Orange is an orange. Yellow is a lemon.

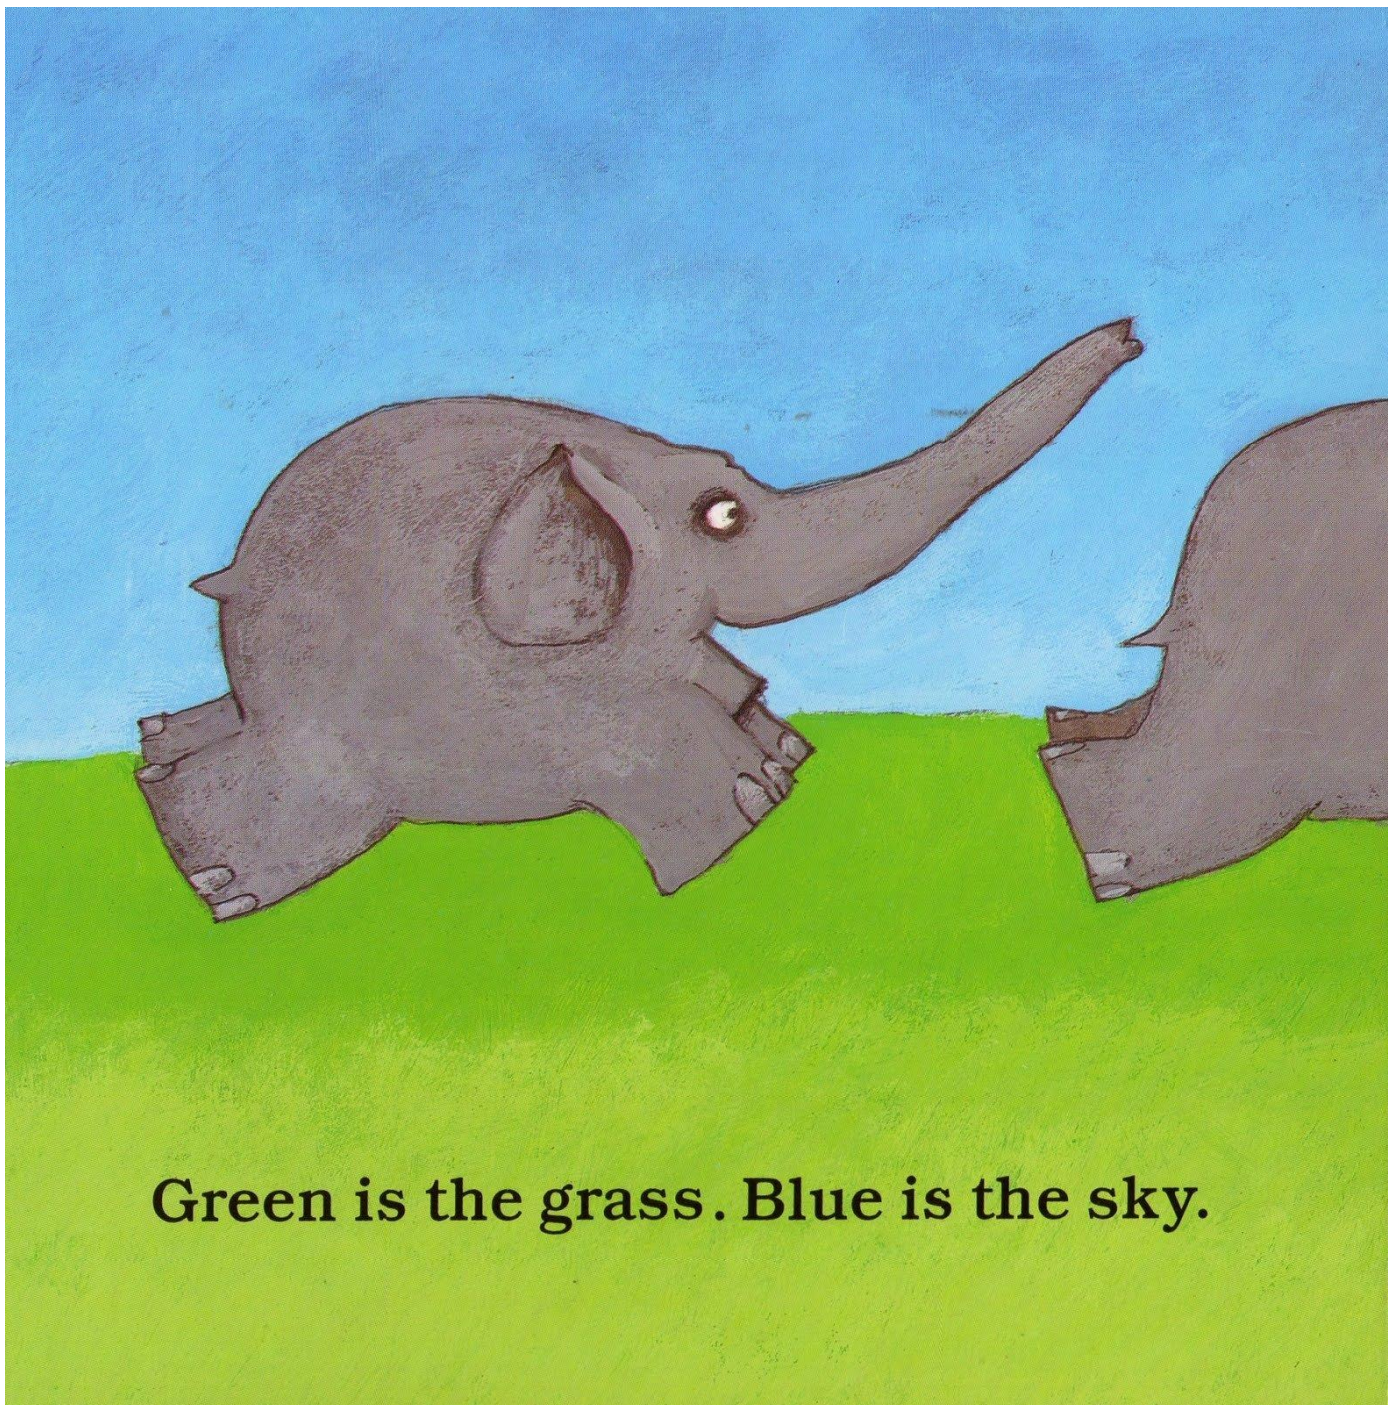

Don't drop them Elmer.

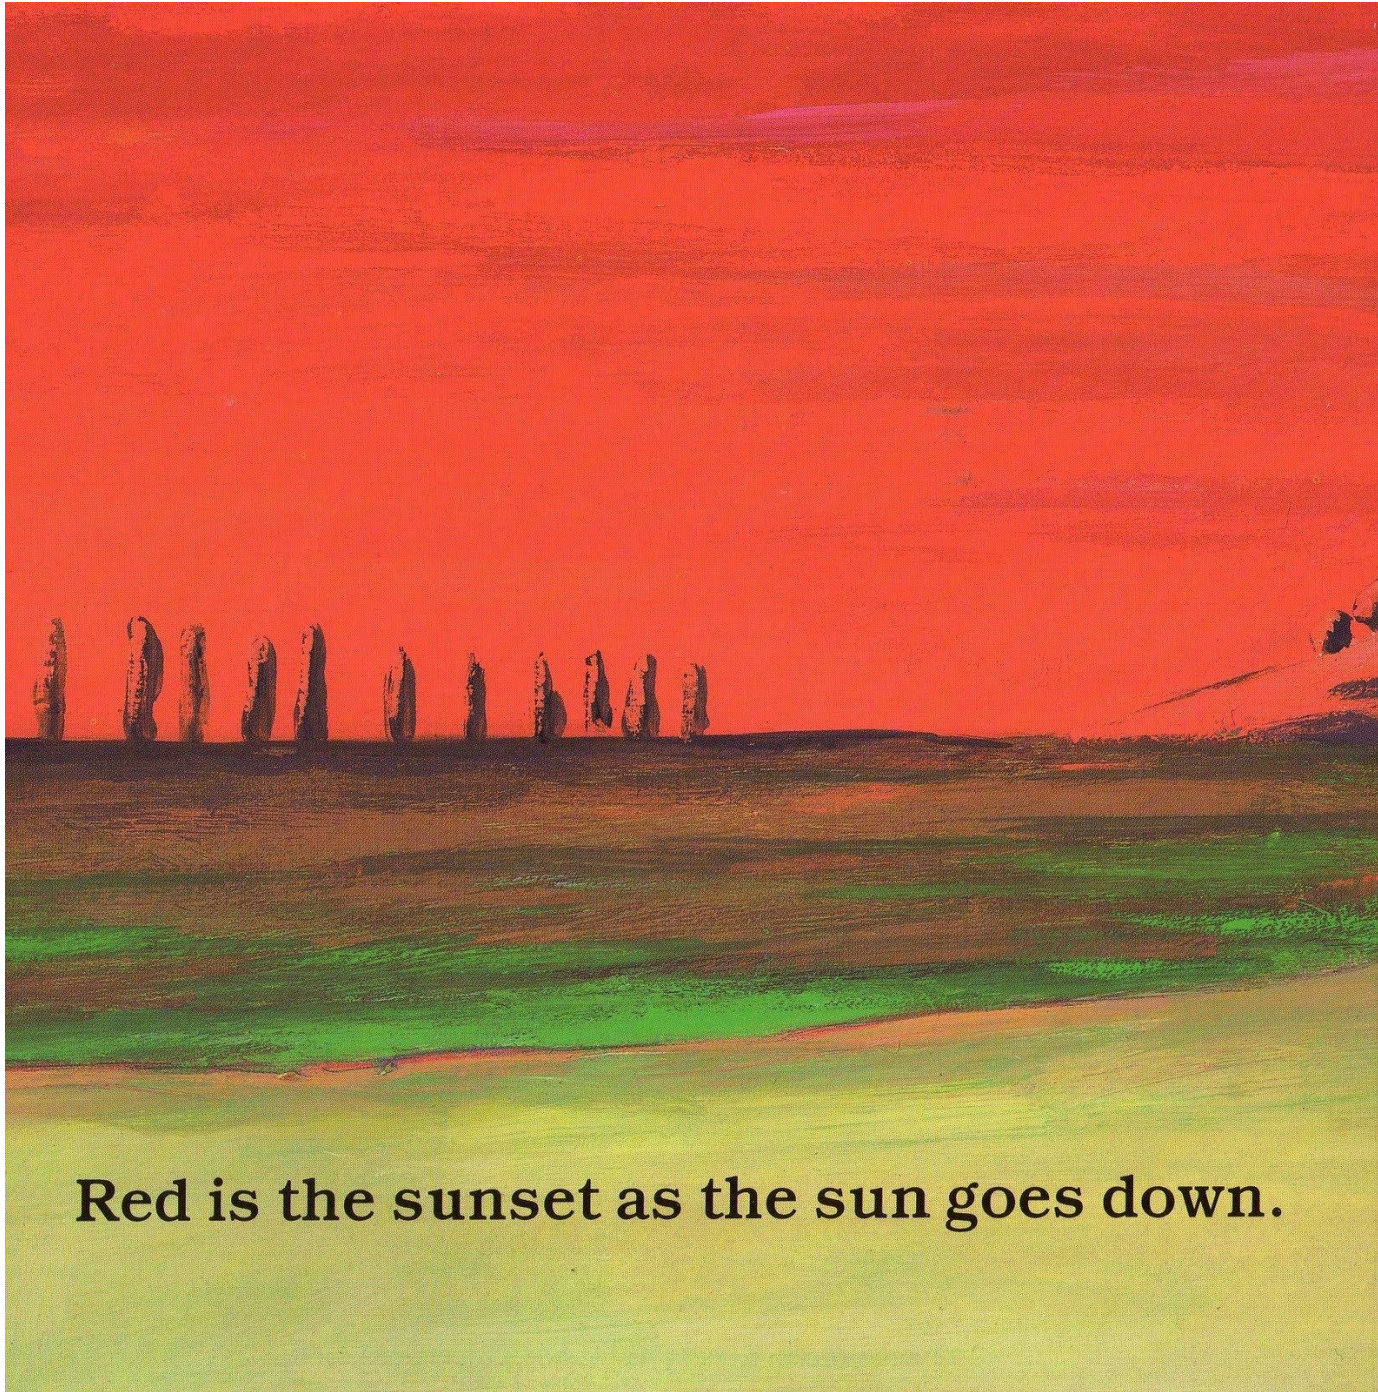

Pink is a strawberry ice lolly.

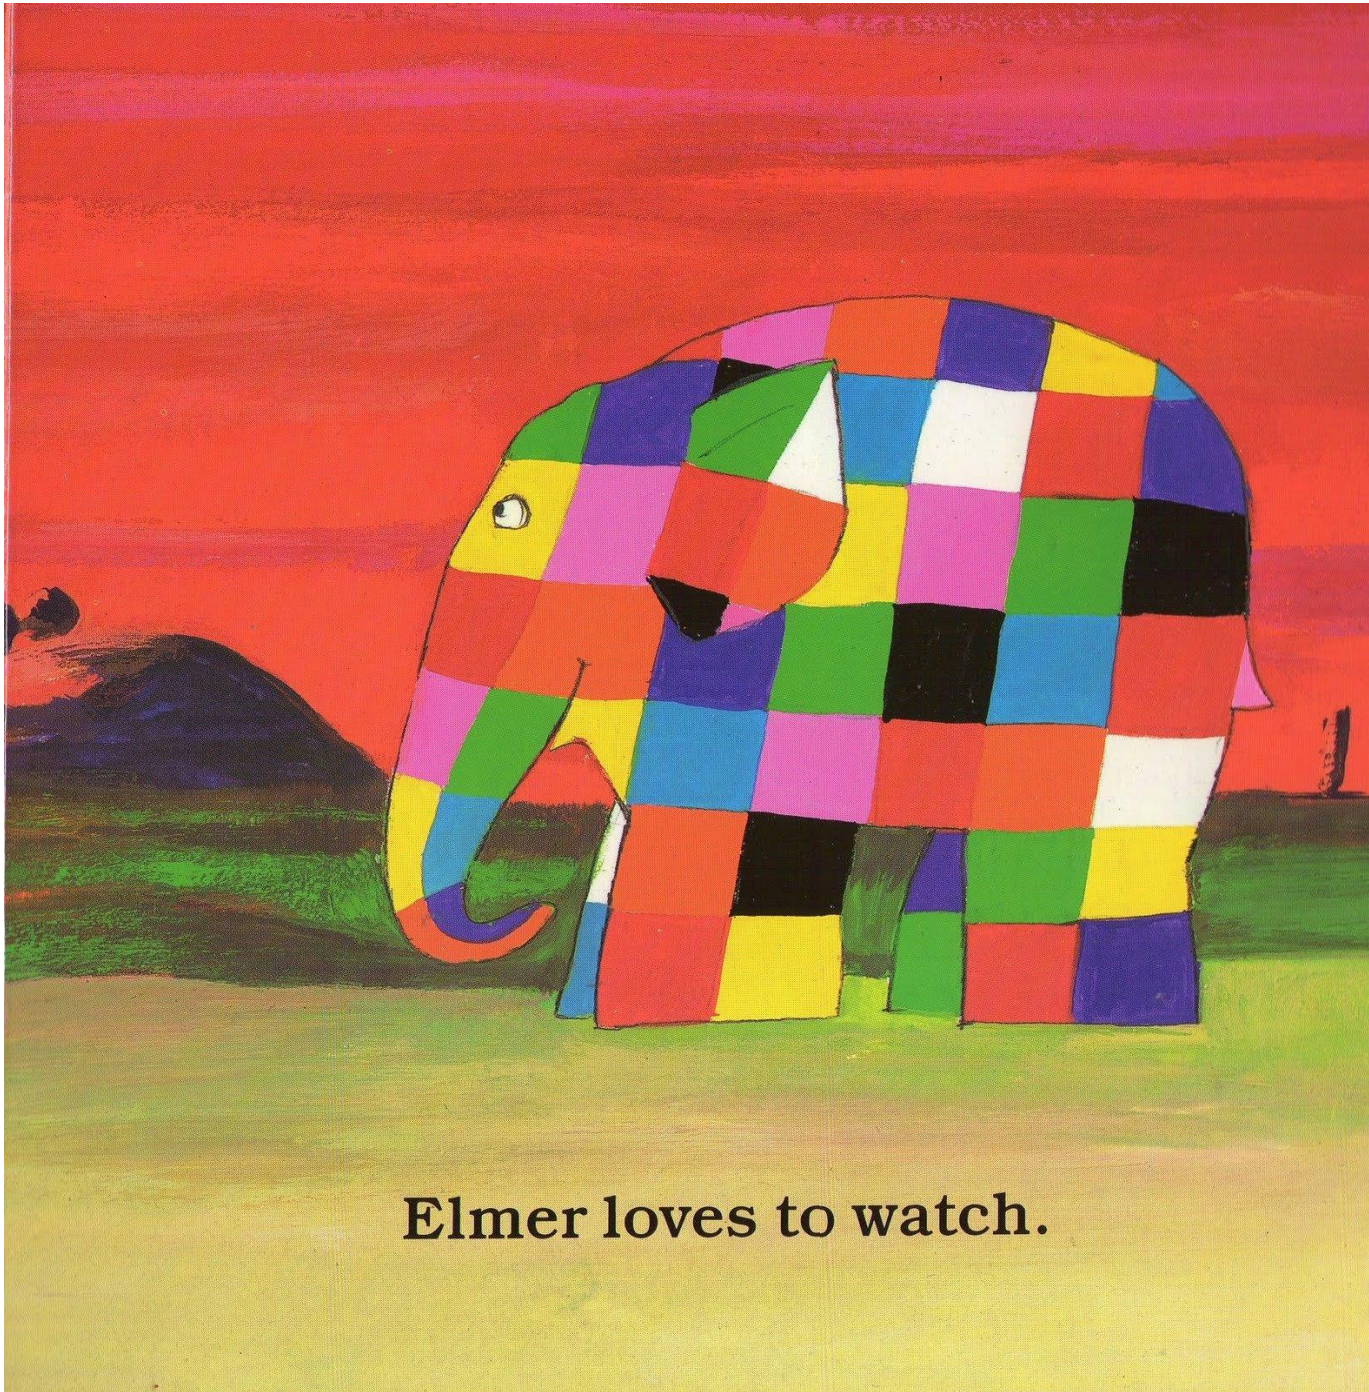

Elmer's won't last long.

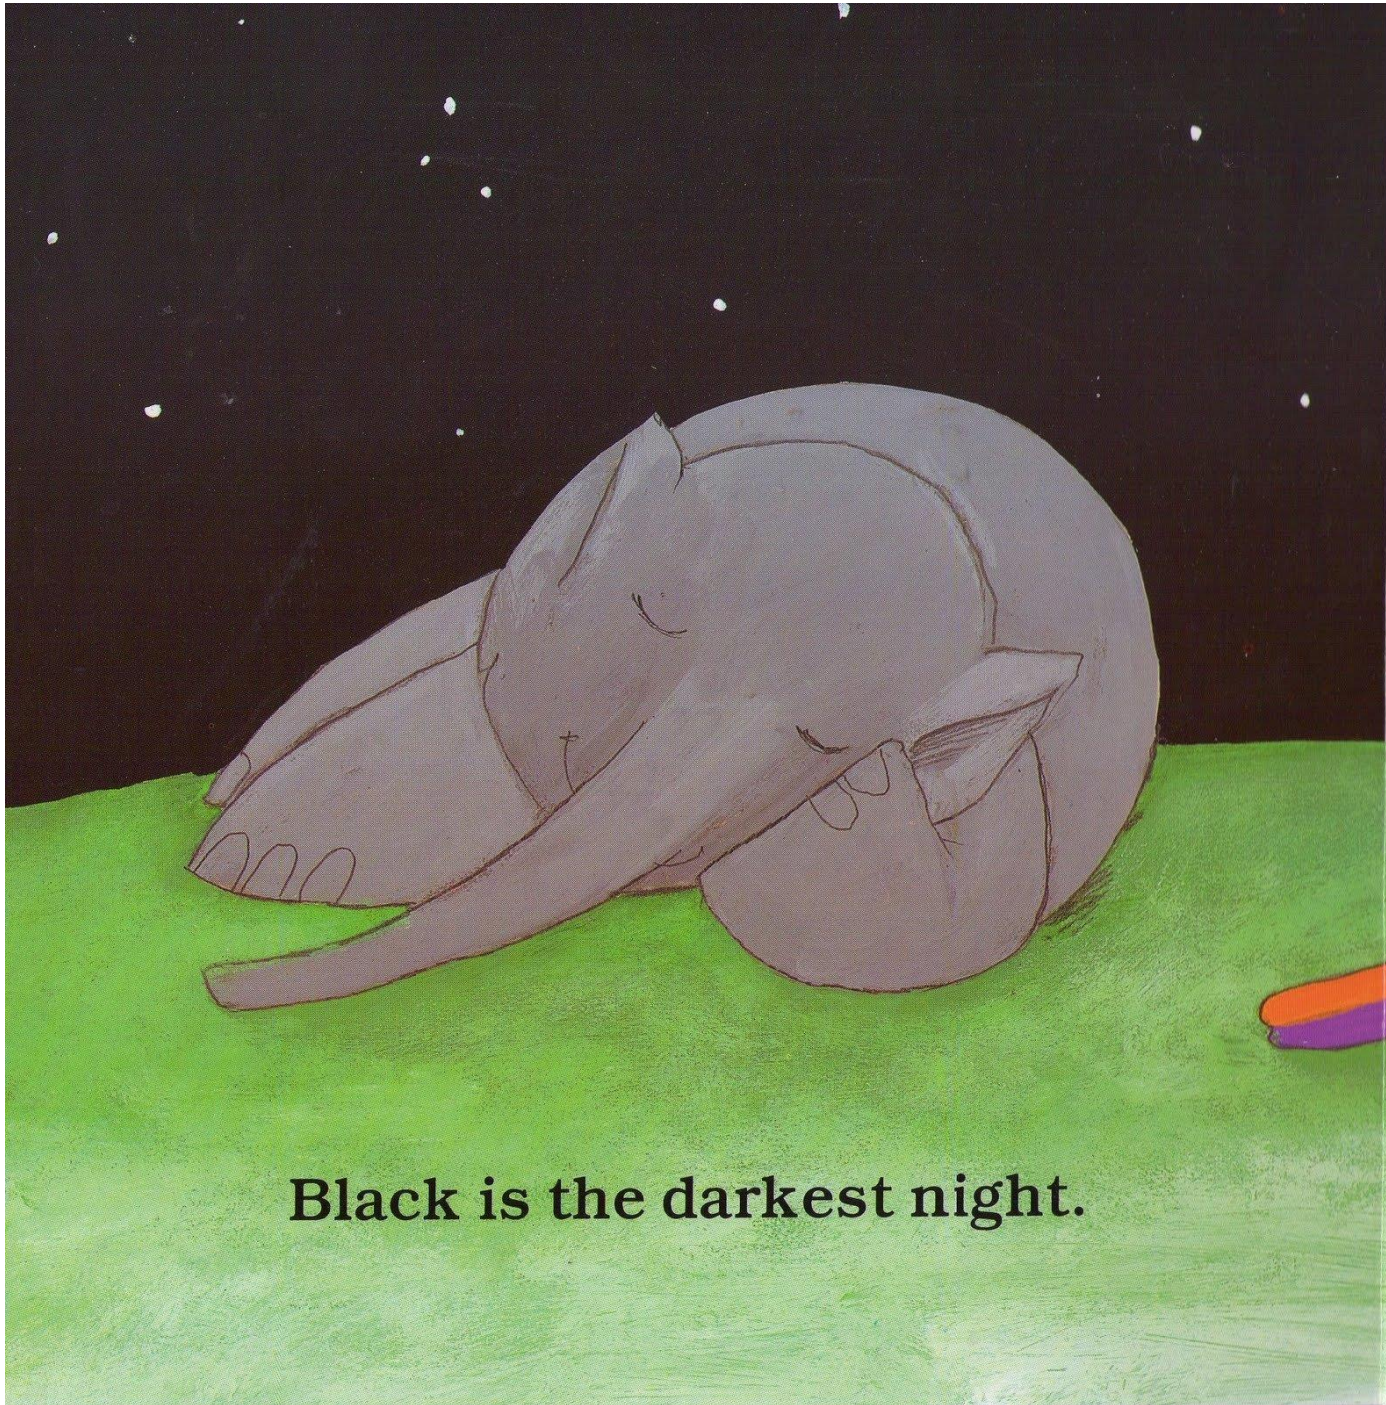

Green is the grass. Blue is the sky.

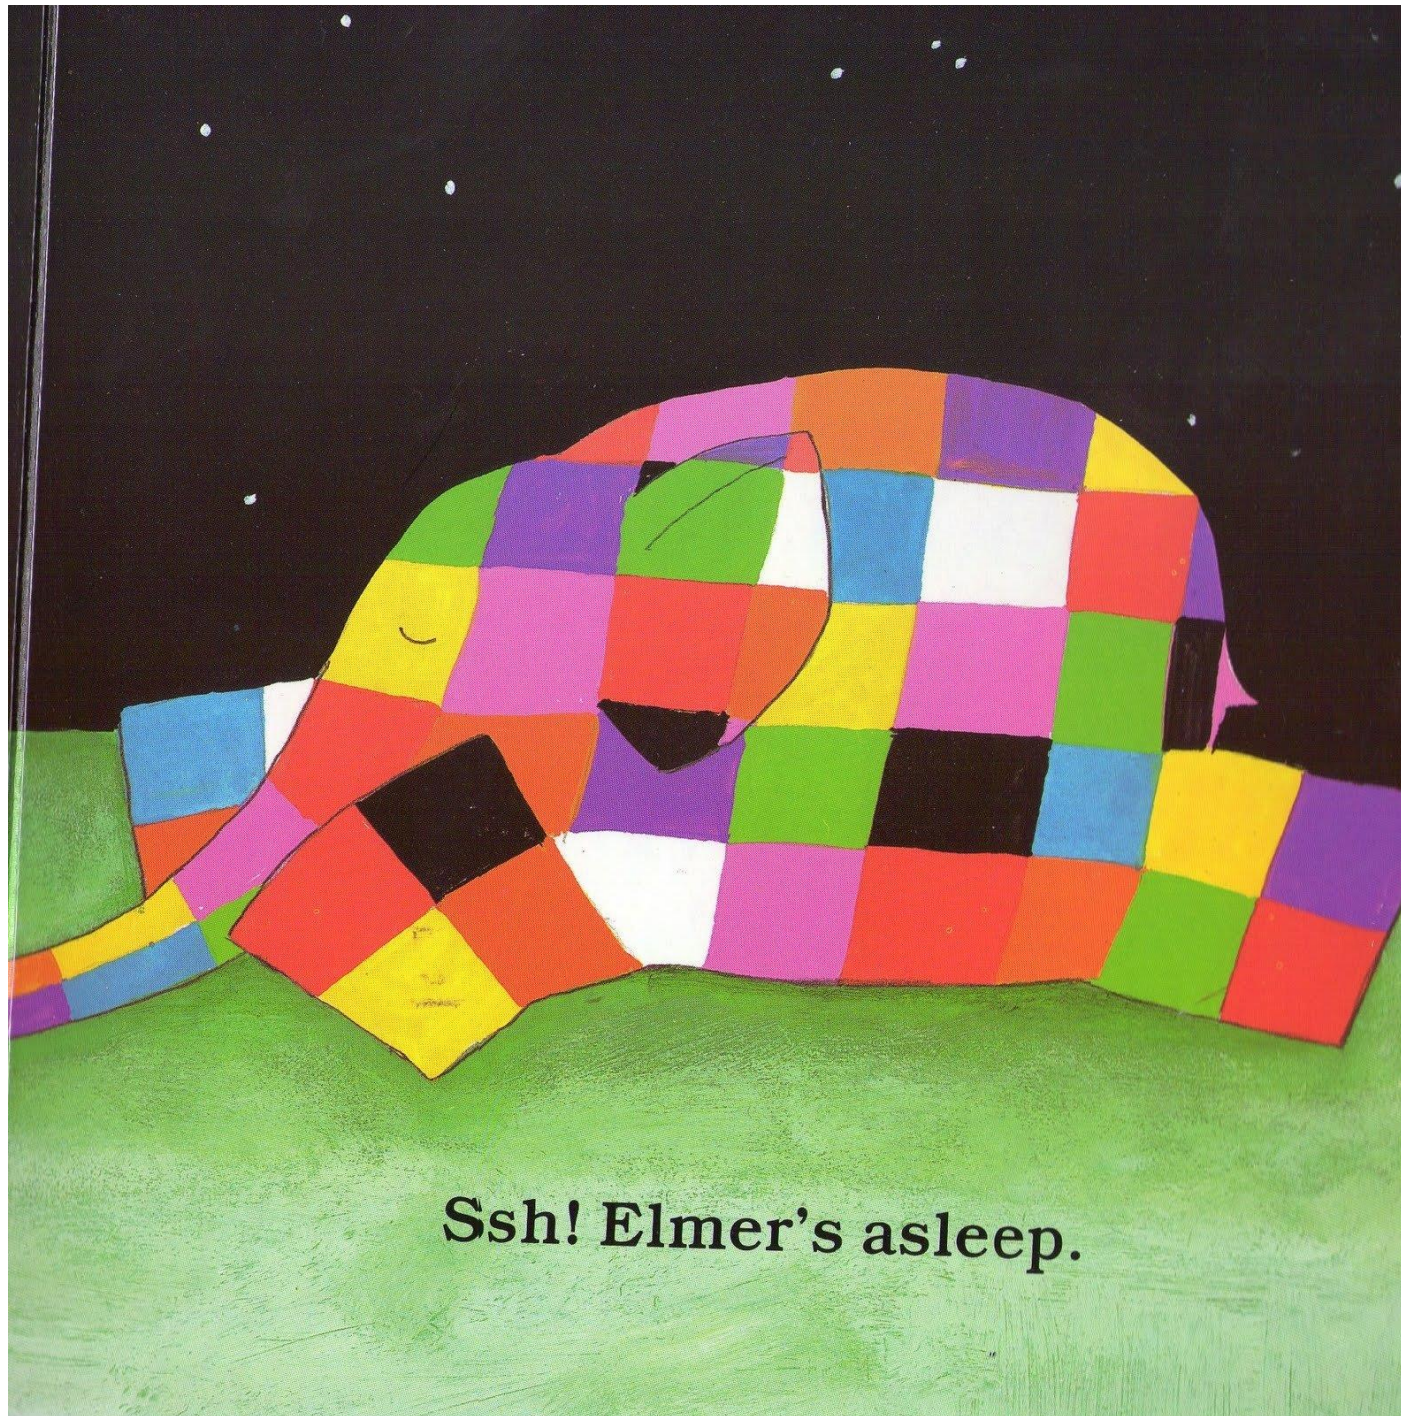

Red is the sunset as the sun goes down.

Elmer loves to watch.

Black is the darkest night.

Ssh! Elmer's asleep.
