

## IMPOSSIBLE DREAMS

Montblanc

I had a dream, I don't know why I dreamed I could fly above the clouds .  
My longing to be free like a bird, to fly though the air, longing to see  
beautiful and green landscapes.

I don't know why I dreamed, perhaps my longing for not being a prisoner  
bird.

Fly and fly, I wanted to be free like a bird that can fly without ceasing.  
Fly and be able to see beautiful green or snowy mountains like the Alps,  
isn't it nice?

When I woke up I realized that it was only a dream, but I felt very happy.  
I will never have a similar dream again, but this one was happy.
