2 - SONG:

"SOCIETY"

I like this song because it reminds me of really good times, when I studied at a university in Austria. Also because it has got a very interesting and important message.

The song talks about a boy that doesn't like today's society or values and wants to leave. He asks: Do we need all the things that we have? Why do we buy so many objects? What are the important things?

3 - LYRICS:

It's a mystery to me. We have a greed with which we have agreed. You think you have to want more than you need. Until you have it all you won't be free.

Society, you're a crazy breed. I hope you're not lonely without me.

When you want more than you have, you think you need. And when you think more than you want, your thoughts begin to bleed. I think I need to find a bigger place because when you have more than you think, you need more space.

Society, you're a crazy breed. I hope you're not lonely without me.

Society, crazy and deep. I hope you're not lonely without me.

There's those thinking more or less less is more. But if less is more, how you're keeping score? Means for every point you make your level drops. Kinda like it's starting from the top. You can't do that.

Society, you're a crazy breed. I hope you're not lonely without me.

Society, crazy and deep. I hope you're not lonely without me.

Society, have mercy on me. I hope you're not angry if I disagree.

Society, crazy and deep. I hope you're not lonely without me.
