INTRODUCCIÓ

El dossier que tens entre les mans és un recull d'activitats d'Anglès. Fer-les de manera reflexiva t'ajudarà a començar bé a l'Institut perquè et permetrà refrescar alguns dels continguts que has treballat a 6è.

És molt important que t'esforcis al màxim en la seva realització. Per això cal que escullis:

- Un bon moment per a fer les activitats (en el que estiguis tranquil/-la)
- Un espai que et permeti concentrar-te.

No oblidis que quan comencis 1r d'ESO el teu tutor/a et demanarà que presentis aquest dossier i, un cop corregit, te'l puntuarà com a treball de l'àrea.

No vulguis fer totes les propostes de cop, ni te les deixis per a l'últim dia...

Pensa que tens dos mesos per anar treballant i una bona planificació del temps t'ajudarà a que el resultat sigui òptim.

Per moltes de les activitats necessitaràs un ordinador amb connexió a internet. Pots utilitzar de manera gratuïta els ordinadors de les biblioteques públiques i dels centres cívics.

Si tens dubtes a l'hora de realitzar-lo o vols saber-ne més hi ha pàgines web que et poden ajudar molt, com www.edu365.com, <http://learnenglishkids.britishcouncil.org/en> També pots fer ús de diccionaris *online* (www.wordreference.com) o en format paper. També pots demanar ajuda a algun adult.

Esperem que tinguis un molt bon estiu i una millor entrada a aquesta nova etapa educativa!

Els teus i les teves mestres!
