

## THAT'S ME!

My name is Estefania. I am twenty-seven years old and I am an only child. I am a teacher and I work in Escola Aurò, as an English teacher. I am a friendly person but I am sometimes a little bad-tempered too. I have got brown eyes and curly hair.

My favorite food are vegetables and fruits. I hate eating fast food and drinking soda. In my free time, I love playing the piano, dancing, doing some exercise and meeting my friends.
