

ENGLISH TIME

Hello one week more guys! I hope you're all well. Here you have the first activity for this week. Send me your results and have fun!

MAKE A COLLAGE · FER UN COLLAGE

Today I propose you making a collage, you just need a piece of paper, tsissors, glue, old newspaper or magazines and a little bit of imagination!

Avui us proposo fer un collage, només necessiteu paper, tisores, pega, diaris o revistes velles i una mica d'imaginació!

You can do whatever you want and put the images and words that you prefer but I will give you some required things that must be in your collages to make it a little bit more interesting.

Podeu fer el que vulgueu i ficar les imatges i paraules que preferiu però us ficaré algunes coses obligatòries que han d'estar al vostre collage per fer-ho una mica més interessant!

In your collages you must put:

- 3 verbs
- 4 names of famous people
- 2 photos of people
- 1 photo of nature
- 3 numbers
- 3 different colours (If you only have a newspaper with no colours you can skip this one · *Si només tens un diari en blanc i negre pots saltar-te aquesta*)
