To create a poster based on a day tour in an interesting city of your choice

Què necessito

- ★ Tourist Information web pages of the cities I would like to visit.
- ★ Mind map to help me organising the information I would like to include in my poster.

- ★ Some samples of day tours for getting inspired.
- ★ Canva tool for poster creation.

com ho puc fer

- ★ Decide which city you would like to visit and prepare a day tour.
- ★ Make sure you read some examples of day tours before creating your own one.
- ★ Once you have your ideas, write your text and select your pictures.
- ★ Use "canva" tool to design your day tour and to create your poster.

què n'obtindrè

You will come out with an original and beautiful day tour poster.

OXFORD IN A DAY

Do you want to go on an exciting tour of Oxford? This tour is for you!

In the morning

9:00–11:00

Explore the old university buildings and discover some magical places from the Harry Potter films.

11:00–12:30

Enjoy punting on the river. It's great fun, but don't fall in!

12:30–13:30

Time for lunch. Have a delicious picnic next to the river.

In the afternoon

13:30–15:30

Visit the museums in Oxford and see some amazing objects from around the world. You can get a torch to explore because it's sometimes dark and a little bit scary!

16:00–17:00

Finish a perfect day with a ride in a hot-air balloon. The views of Oxford are incredible!

com ho puc compartir

You can either print your poster or share it on-line.

comprovo si

- ★ I checked enough Tourist Information web pages.
- ★ I wrote my text carefully and correctly.
- ★ I selected pictures according to my text.
- ★ I created a nice poster.
- ★ I am ready to create a new city tour poster, but this time the aim should be presenting my own city or town.
