AROUND EUROPE -
EXCHANGE

ANA ARROYO

THE PROJECT CONSISTS ON...

- Creating a page in the Twinspace, with the name of our school and a QR code with the web.
- Sharing our address in a document and our localitation in Google Maps.
- Meanwhile, we are working at school, doing handmade Christmas Cards, and writing together a letter explaining a typical tradition.
- We can share our Christmas Carol in our language or English.
- Finally, we send our handmade Christmas cards between different schools.

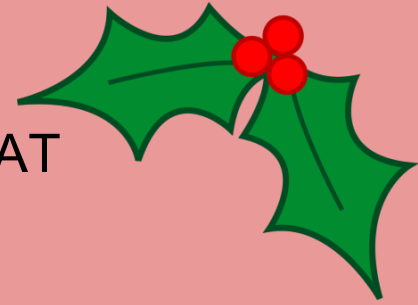

WE REALLY WANT TO PARTICIPATE IN THIS PROJECT!!

WE ARE SURE, WE WILL ENJOY!!
