ENGLISH TASKS FOR 5th GRADERS

Hi kids!!! How are you???

I know it is a very difficult thing to do for you to stay at home, but as you know we need to make a longer effort and be confined a little bit more. Now, the most important thing is to have good health, so I hope you are all well.

As you know, now, we should be celebrating our **Easter holidays**. So I thought you might like to have a look at some videos about how do British and American people celebrate Easter. Here is a link of the post that you can find in the English blog:

Easter traditions: <https://agora.xtec.cat/escolacollserolacerdanyola/angles/easter-2/>

There are two more posts with very easy games, songs and stories in case you want to watch:

Simple Easter games:

Easter songs and stories:

I hope you like them and you have a different but great Easter holiday!!!

Best regards!!!
