

# 4<sup>th</sup> grade

## Week from the 1<sup>st</sup> to the 5<sup>th</sup> of June

Hello everybody!! I hope you are doing well  
Here you have this week's tasks; they are from the online book.

Go to: [Blinklearning.com](https://www.blinklearning.com)

- Si es la primera vegada que us registreu: anar a “crear cuenta” i escribiu aquest codi de classe: **CL43655641**
- Si ja us havíeu registrat, anar a “iniciar sesión” i no cal que poseu el codi.

Click on the **digital class book** and go to **Unit 4**

1. Go to page 45 and do the activities with a red star:

The screenshot shows a digital class book page for 'KOALA FACTS'. It includes a map of Australia, a koala illustration, and several text boxes with facts. Activities are marked with red stars:

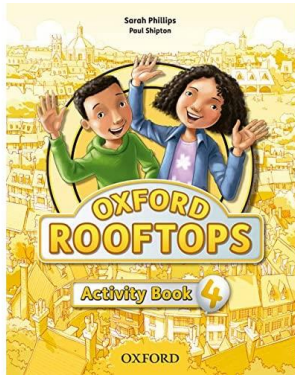

- Activity 1: Read and listen. What's the information panel about? What country does the animal live in?
- Activity 2: Read and listen. Answer in English. What new information do you know about koalas? What other animals live in Australia?

- Page 45:
- Watch the **video** at the top of the page
- Read and listen (**exercise 2**)
- Do the online activity (**exercise 3**)
- Play the **game** at the bottom of the page

When you finish these activities, **write me a comment** on this page and tell me which was your favourite activity.
