

5<sup>th</sup> and 6<sup>th</sup> grade

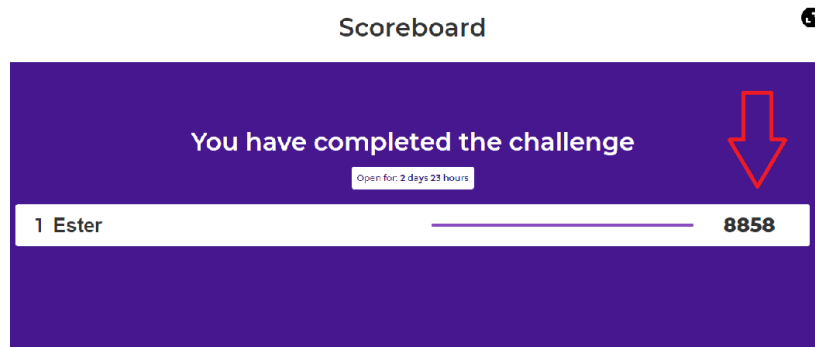

Week from the 1<sup>st</sup> to the 5<sup>th</sup> of June

Hello children!!!

I hope you are all well.

Here you have this week's activities: a **kahoot** and an **experiment**

1. Play this [Kahoot](#) and write your score on comment on the blog.

2. Can you do any of these experiments? Click on the image to watch the video. Send me a video or photos of the experiments that you try at this email: [collserolaangles6@gmail.com](mailto:collserolaangles6@gmail.com)
