

6th GRADE ENGLISH

Week from the 8th to the 12th of June

Hello darlings!!!! How are you doing?

This week's task is going to be a very special activity called: "My school memories"

Do you know that I am also saying goodbye to the Collserola school?

Yes! Like you, I have to leave my beloved school and start a new experience in another school.

I have lots of good memories of these 11 years working here and I would like to review some of these good moments.

I did a presentation with some photos showing you some of my great memories and I would like you to do the same.

Have a look at it, I hope you like it and I hope you create your "school memories presentation" as well. I will collect them and I will share them with you on the last English virtual class. You can do a power point, a video, a word document... you only have to write a short sentence describing one good memory that happened in the school and add a photo related to the memory.

I am very happy to have you as my students and I wish you all the best in this new stage of your life!
