2. Omple els espais blancs.

The image shows five dice nets, each consisting of six squares. The nets are arranged in two rows. The top row has three nets, and the bottom row has two. Each net has a central square (the front face) and five surrounding squares (the back, top, bottom, left, and right faces). The nets are as follows:

- Top-left: Central square is dark blue. Left face is labeled 18. Top, bottom, and right faces are white.
- Top-middle: Central square is dark blue. Right face is labeled 75. Top, bottom, and left faces are white.
- Top-right: Central square is dark blue. Right face is labeled 83. Top, bottom, and left faces are white.
- Bottom-left: Central square is dark blue. Left face is labeled 36. Top, bottom, and right faces are white.
- Bottom-right: Central square is dark blue. Bottom face is labeled 78. Top, left, and right faces are white.

3. Assenyala els espais blancs que no es poden omplir.
