

SIX LITTLE GHOSTS

Six little ghosts that I once knew
Friendly ones,
Spooky ones,
Silly ones too...

**But the one little ghost
Was the leader of the crew
She led the others with a
Boo Boo Boo**

Back at the haunted house
They would giggle
Tickle, tickle, tickle, tickle
Wiggle, wiggle, wiggle...

**But the one little ghost
Was the leader of the crew
She led the others with a
Boo Boo Boo**
