HOPE STICKY NOTES

Instructions

1. **Important!** Look at your classmates' contributions first in order **to not repeat** the messages. We'll create a nice collection of sticky notes.
2. Look at the toolbar below ⬇ to help you with the commands.

3. Add a new slide (Insert - New slide) after the last one.
4. Choose Layout - Blank

6. Adjust the size of the image on your slide and put it in the centre.
7. Insert - Text box. Put it in the centre of your sticky note and write your message. Format it (font, size, colour…) as you prefer.
8. Insert - Image - Search the web - write (your choice!). Adjust the size in the sticky note.
9. Write the hashtag: #stayhome. Format it (font, size, colour…) as you prefer.
