

DRAWING WITH FRUITS AND VEGETABLES

TASK: you have to **record a short video** explaining how to create your drawing. You have to send it to your tutor.

Last week at school we were thinking of some creations with fruits and veggies.

Remember you can:

- Take a picture from the internet.
- Draw the picture.
- Create your own at home and take a photo.

It can be:

- An animal
- An object
- Whatever you want! Be creative!

In the next page you have a written example.

If you do not know what to create I also give you some examples very easy to describe.

Example: Sheep

Good _____,

My name is _____. I'm _____ years old.

I'm going to explain you how to create a sheep.

First, cut (into slices) a banana to do the body.

Second, put some black olives to do the face and the feet.

Third, put mayonnaise to do the eyes and the nose.

To finish, cut the grapes (into a half) to do the grass.

I hope you like it!

Bye!
