

RECIPE

You have to **record a short video** explaining a recipe.

You can cook whatever you want.

It is not necessary that you explain the recipe in detail if it is a difficult one.

You can explain the recipe without doing it.

You can cook the recipe at the same time; you can cook the recipe and take a picture of it, draw an image of it or print an image from the internet. As you prefer.

Once you finish the video you can send it to your tutors.
