

# SCAVENGER HUNT

## NON-OBLIGATORY TASK

Tick (✓) the elements you can find in your house and when you are in the street.

If you want you can draw the objects, take a picture or write the translation.

The vocabulary is a little difficult. It is not necessary that you look for all of it.

The aim is that you **learn** some **new vocabulary**.

You can look for the vocabulary on:

- <https://www.linguee.es/> → gives the translation.
- <https://www.wordreference.com/> → gives the translation.
- <https://kids.wordsmyth.net/we/> → gives the definition and picture.

The screenshot shows a web browser window with the URL [kids.wordsmyth.net/we/?ent=hanger](https://kids.wordsmyth.net/we/?ent=hanger). The search bar contains the word "hanger". On the left, there is a list of "Alphabetical Results" including "hankering", "hankers", "Hanoi", "Hanukkah", "haphazard", "haphazardness", "happen", "happened", "happening", "happening", "happens", "happier", "happiest", and "happily". Below this is a "Multi-words Results" section with "cliff-hanger", "coat hanger", and "hanger-on". The main content area displays the word "hang-er" with a "Free Trial Subscription" button. It includes the pronunciation "haeng er" with a speaker icon, features like "Homophone Note" and "Word Explorer", and the part of speech "noun". The definition states: "a frame with a hook at the top, made of wire, wood, or plastic, and shaped so that one may hang clothes over it. I put my coat on a hanger in the closet." Below the definition are two images of hangers: a black wire hanger and a wooden hanger.

If you want to learn **more vocabulary**, in the **blog of 6th and 5th grade**, they have the same activity with more words.
