Aquesta conjugació verbal es fa servir molt amb anglès.

Va composta del **verb to be** i el verb que volem fer servir acabat amb **ING**.

Vol dir estic fent alguna cosa en el moment que parlo.

Però també es fa servir per descriure el que portes posat de roba com el que farem en aquesta lliçó.

1. Aquesta setmana fem la forma afirmativa a la següent, ja treballarem la forma negativa i la interrogativa.
2. De deures feu 10 frases amb els verbs que conegueu conjugant-los com l'exemple.
