

Dear students!

In your **Classroom** (English 5th) you have different activities to do.

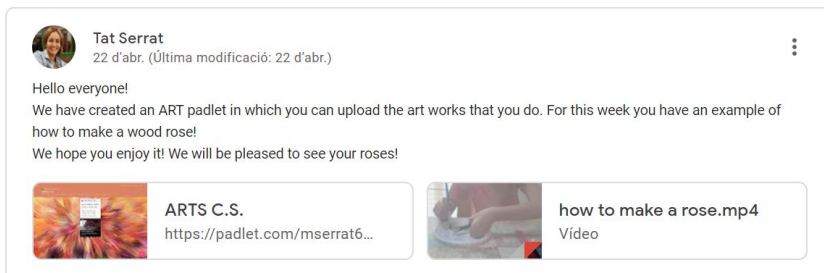

One is about **Saint George day**. You have to read the text and answer the questions.

There is also a **free** activity (George and the dragon), you can do it if you feel like.

The second activity is a **rose to make**. I hope you enjoy it. Please upload your photos on the arts padlet.

For any doubt you can ask me using Classroom.
Tat
