

Song

3 Read and circle. 🎧 🎵 Sing *Where's my skateboard?*

Where's my skateboard? It isn't here.

I can't find my skateboard. Oh dear! Oh dear!

The  **scooter** **car** is in the cupboard, keep looking.

The  **kite** **bike** is in the cupboard, keep looking.

Look on, look in, look under things
to find my skateboard, too!

The  **board game** **car** is on the shelf, keep looking.

The  **doll** **kite** is on the shelf, keep looking.

Look on, look in, look under things
to find my skateboard, too!

The  **car** **kite** is under the table, keep looking.

The  **car** **board game** is under the chair,
keep looking.

Look on, look in, look under things
to find my skateboard, too!
