

RIU D'OR'S VEGETABLE GARDEN

WHAT DO WE KNOW ABOUT IT??

WE OBSERVE OUR VEGETABLE GARDEN AND WE TAKE IDEAS FOR THE DESIGN

WE DESIGN THE VEGETABLE GARDEN AND THE WATERING SYSTEM IN GROUPS

HERE WE CAN OBSERVE THREE DESIGNS!

Design the vegetable garden

1. How long is each side of our vegetable garden?
2. How can we distribute the vegetables? Draw them.
3. Design the vegetable garden and the water system.

Design the vegetable garden

1. How long is each side of our vegetable garden?
2. How can we distribute the vegetables? Draw them.
3. Design the vegetable garden and the water system.

Design the vegetable garden

1. How long is each side of our vegetable garden?
2. How can we distribute the vegetables? Draw them.
3. Design the vegetable garden and the water system.

AND THIS IS THE WINNER!

LET'S PREPARE THE TERRAIN!

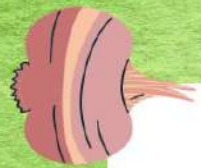

WE DISTRIBUTE THE VEGETABLE GARDEN IN DIFFERENT PARTS

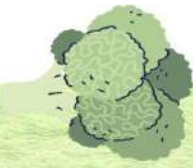

WE USE SOME TOOLS TO MAKE THE FENCES WITH WOOD

THE FENCES INDICATE THE DIFFERENT PARTS OF OUR VEGETABLE GARDEN

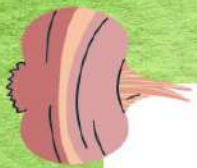

LET'S PLANT!

WE PLANT LETTUCE, CABBAGE, CHARD AND CARROTS!

WE PLANT LETTUCE, CABBAGE, CHARD AND CARROTS!
