

ENGLISH PROPOSAL

Dear students! This week we are going to revise different contents and do different activities: listening, reading, writing with the help of "Quadern interactiu d'anglès".
Observació: No cal fer totes les activitats del quadern en una setmana. Hi ha moltes i cal anar gestionant-les de manera que aquesta setmana cadascú pot fer les que més li agradi o el que consideri més rellevant per l'aprenentatge.
