

International week

We at Spjelkavik videregående skole have the pleasure of inviting students from Sabadell, Catalunya and Florence, Italy to our international week, from the 5th to the 12th of February, 2023.

The hope for this week is fun, friendships and the creation of good memories that you all bring with you throughout your lives.

In this little folder you find the schedule of the week, and some important information.

Schedule of the week
