

NO STRINGS

Everything is as it was
tripping on my dreams
spacing out when you talk
I will go on my own style.

Because I found myself
with no strings,
no appointments
no jails that I can break
Be young and free
and free for everything
you plead.

Walking on the streets,
humming my favourite
songs,
dancing as I just know.

I won't cling to the
reality
I prefer to build my
world of fantasy
It will be my own life.

Because I found myself
with no strings,
no appointments
no jails that I can break
Be young and free
and free for everything
you plead.

A POEM

LOVE AT FIRST SIGHT

Love at first sight,
you are so fine
and I want
to make you mine.

Love at first sight,
your eyes are
as beautiful as
flowers and vines.

Love at first sight,
you are such a light
That I would even
put my life in the line.

Love at first sight,
you are like sunshine
to my dark night.

By Paul

BETRAYAL

It's dark and it's rainy
They stabbed me
in the back
and it made me sad.

I felt mad
but the drops of my
eyes
were running
through their lies.

They laughed
and laughed at me
The whole crowd
made me
look like a clown.

Their acts of kindness
were fake as a trap
But I always fell
for them
As if they were mine.

By Paul

A POEM

MOTHER

Dear mother,
I want to explain to you
how much I love you.

My love for you is like
the life
I love you to infinity
Even the day I die.

You are my sun and my
moon
If you leave like the moon
I don't know what to do
Because I need you.

You are the light that
enlightens my way
At night and
during the day.

I can't give you
all you deserve
Because you deserve
everything.

Mom, I love you and
I can't explain it very
good
But I want this poem
to be special for you
