We will go in summer because Singapore is more popular in summer since it has a beach and we feel that it is a summer country

We will go with a car to go to the airport, then take five planes, go on three boats, two submarines, three cars and a bus to finally arrive at Malaysia, a country next to Singapore and from there take two planes.

WHAT WILL YOU DO THERE?

What we will do is go to the beach, go to eat in restaurants, eat local food, take photos, meet new people, see the city, learn the language, steal money, work as a singer, we will go visit the family of Hadia in the jungle.
