Susana and Ivana**

Super Girl always tries to help nature. She loves to take care of her garden's plants and water them.

**Super Girl and her Super Dog protect the environment.
Now, they are going to pick up some trash.**

Super Girl has a car that is capable of removing pollution from the atmosphere and transforming it into fuel.

There is a problem! The three-head dog has come to eat persons and transform them into toxic gases. We have to stop it!

Oh, look! That boy has no money, so he can't buy his breakfast. ;But Super Girl is here to save him!

**It's very important
to end poverty and
hunger!**

**OMG! Thanks, you
are so kind!**

Super Girl has given him food and the boy now lives in a house with people like him.

**With your help,
we can save our
planet!**

**By 2030 we expect to have completed all the 17
Global Goals. Can you help us?**

**HOPE YOU
LIKE IT!**
