SCHOOL

For the school we carry a backpack, where we put the books, yes, we use books but sometimes we use computers, we made the task and work in a table made of wood and sit on a chair of wood. We use a pencil and a pen to write too.

The class are face to face, we have a teacher that he explain the subjects, one teacher for each subject.

We use digital blackboard, and a normal blackboard too.

MY DIARY ROUTINE IN THE SCHOOL

TECHNOLOGY

We use, computers, televisions, tablets, cameras, mobile phone and others similars, we use this to speack with other person, see a film, do the homework, play computer games and more others.

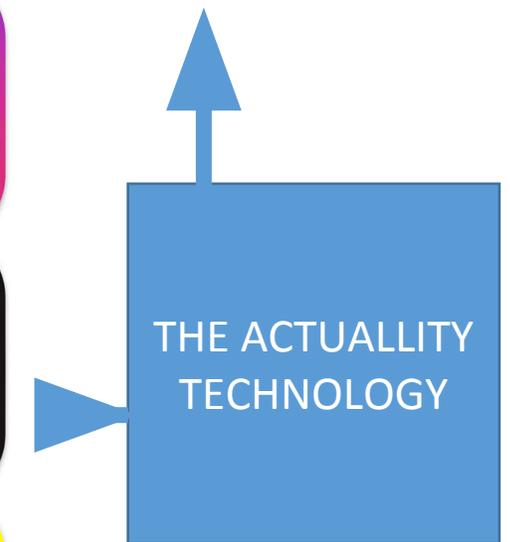

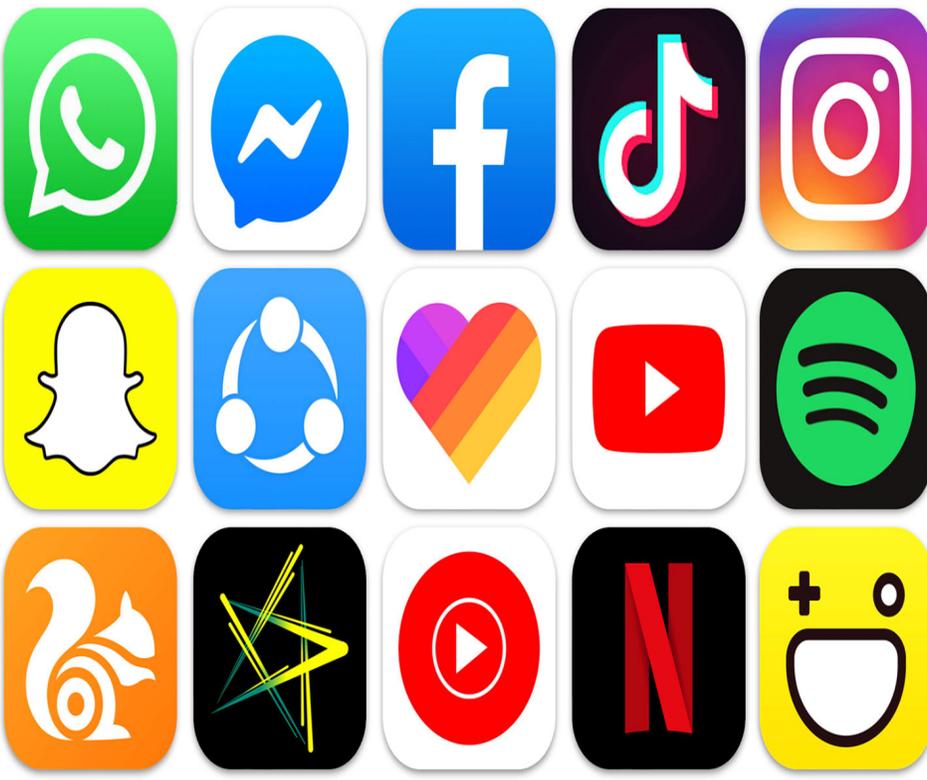

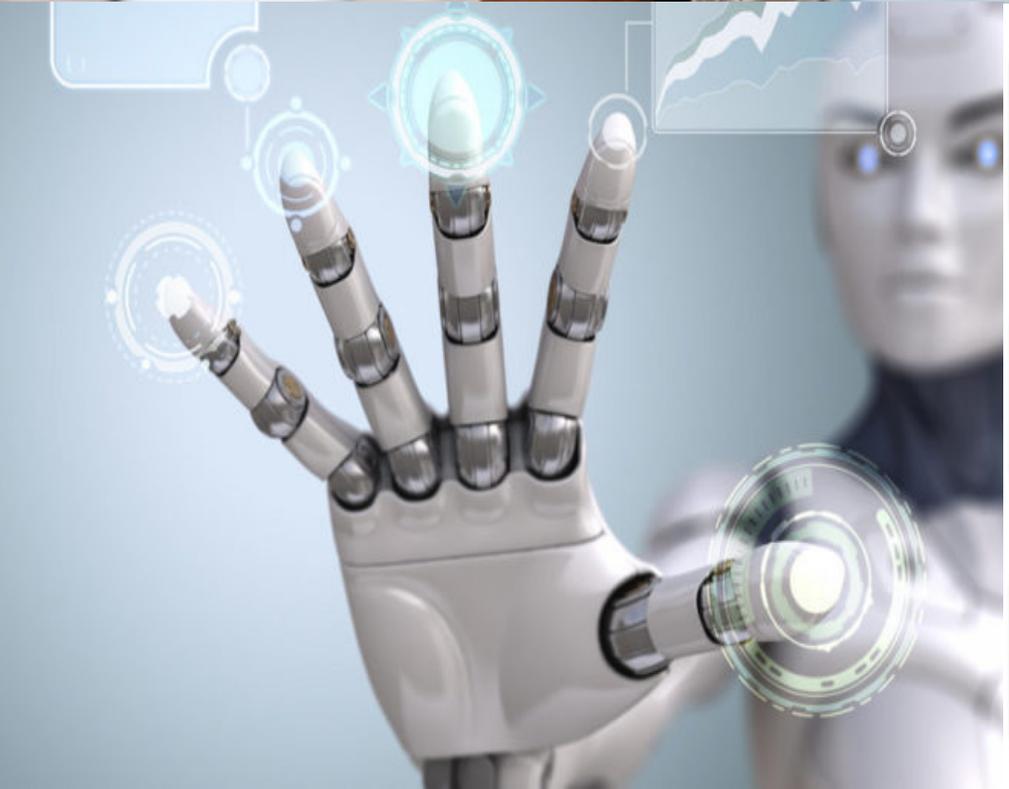

We have WiFi, to be connected to a network around the world, this we keeps up connected.

We do photos, recordings and others with the mobile pone, camera etc.

There are robots, create by people that they work like a human.

We use apps to entretain us, and pass the time.

FOOD

There are different type of food, depending the country that you live , the religion that you follow and others, but there are a lot of variety around the world. There are also a lot of aliemnts, for example: vegetables, fruit, meat, fish, rice, chikpeas and more.

In my house we eat food realiced with this aliments, one traditional food in my house is the cannelloni.

CITY

My city is Hospitalet of Llobregat, is in Barcelona, in the city there are a lot of parks, schools, buildings, houses and more others. Also there are shops a lot.

The little kids pass a lot of time in the park, playing with his friends.

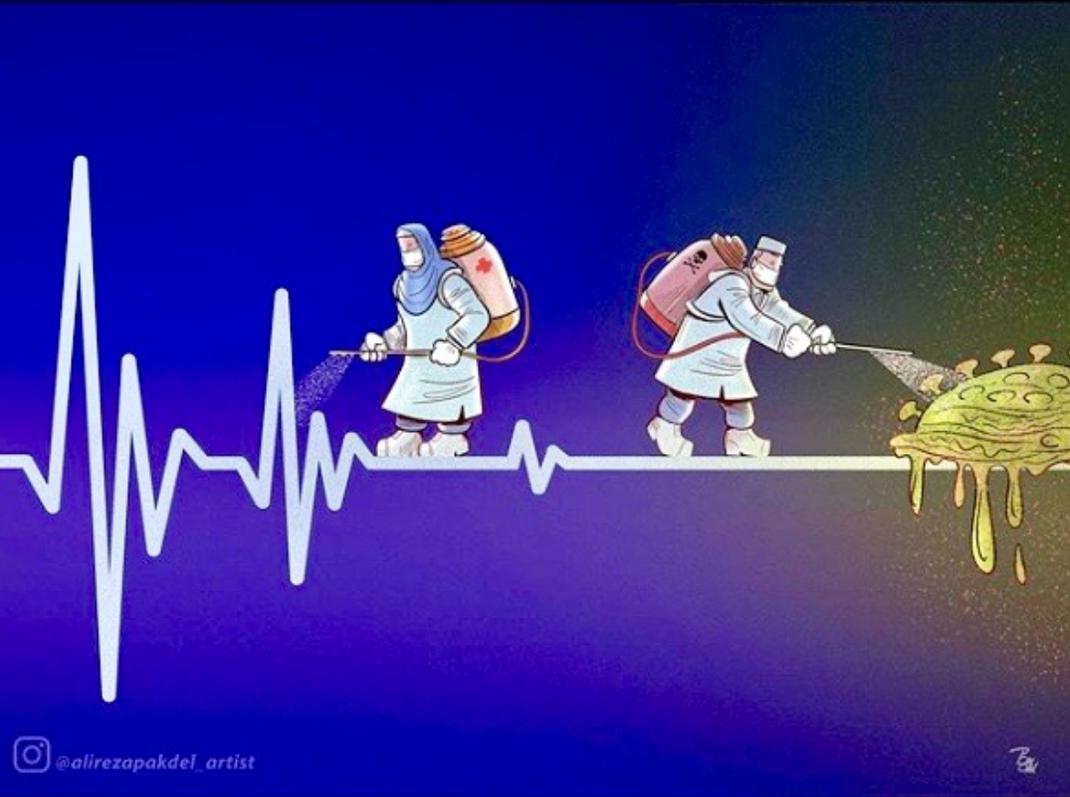

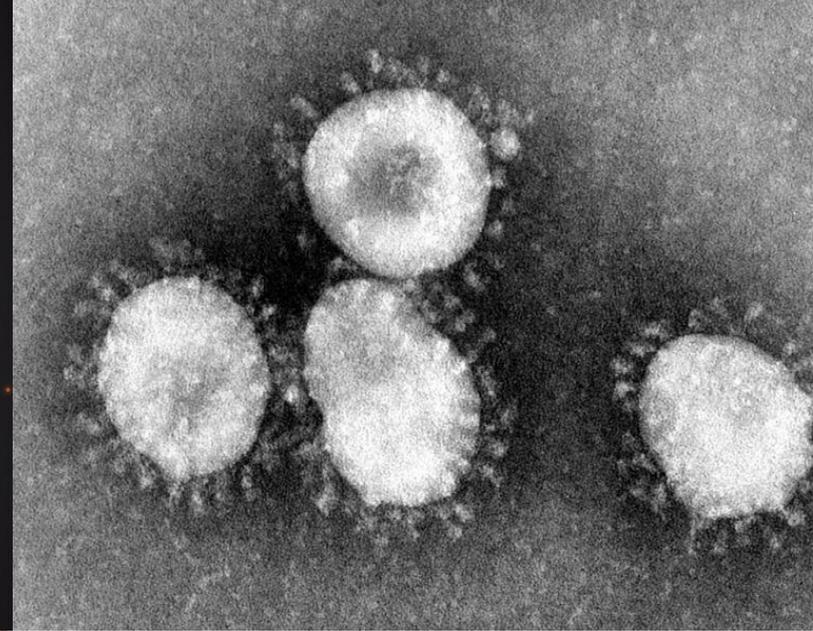

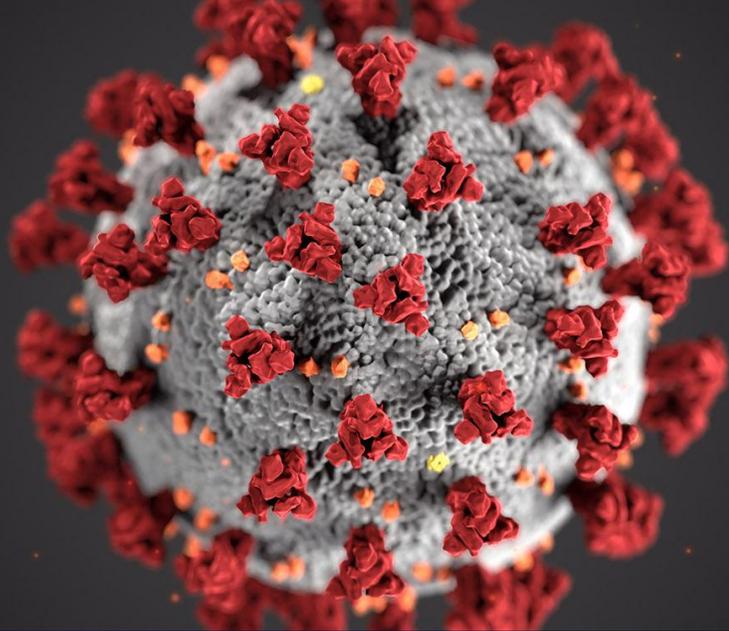

The grandparents pass most of the day in the street, walking or sit on a bench, enjoying the day.

CORONAVIRUS/A CTUALLITY

The coronavirus (Covid 19) has caused a global pandemic around the world. We have to take a mask, wash the hands, keep social distance... There are dead a lot of people around the world, but this pandemic has brought out the best in each person, there are a lot of solidarity. The 13th of March 2021 it will be a year since everything started.

Dear Santa, I don't want anything for Christmas, but, I would like to ask you if you can do me a favor: Can you please find a cure for COVID-19 and give it to us to save the world. Thank you, love Jonah.
