Enjoy the summer holidays! :)

OBSERVACIONS:

These activities will help you improve your listening, reading and writing skills.

You can choose to do all the activities in a notebook which you will use as your journal (or you can use blank A4 sheets of paper but in this case they must be well bound or stapled).

You will hand the tasks in to your teacher in September and the mark you get will be taken into account in the first term mark.

Your mark will depend on the amount of activities there are in the tasks (minimum the ones stated above) and their quality (personal work, neatness, good spelling, grammar accuracy, etc).

**Be creative
and
make this summer
the best EVER!**
