HAPPY - ESTHER HERRERA

In the photo I can see two people who are reading and they are very happy enjoying the activity they are doing. They are sitting on a mountain.

In the middle of the photo are the two people sitting, a boy and a girl, they have a book in their hand and they are having a picnic. And around them they have mountains, nature.

They are in their early twenties. They wear dress clothes, quite warm, the sweaters they wear look like wool, the girl's is blue and the boy's is red, and they wear jeans.

It is probably a couple, who like nature and have gone there for a day.

In my opinion, the photo seems very good and I would be very happy, being there with my family or friends, and because I love the mountains.

Jealous

By Marc.

I can see 3 people but one is jealous and annoyed by the affection and closeness of one to the other and not her.

They are sitting in the living room of the house of one of them, two on the right side of the sofa with a space and the other on the left side with a space.

They wear clothes that are a bit old-fashioned today and similar to those of the 90s and 00s. From while they watch television or a series or movie.

They look like college students by age or have been working for a short time.

The two on the right seem very happy and the person on the left

very upset. In my opinion it is a very uncomfortable situation for the girl on the left and the two on the right should realize it and not be like that if she is there.

STRESSED

by Javileth Cora

In this photo I can see a woman who probably works in an office. She is around twenty.

She has many tasks to do for what we see in her computer which it's plenty of post-it.

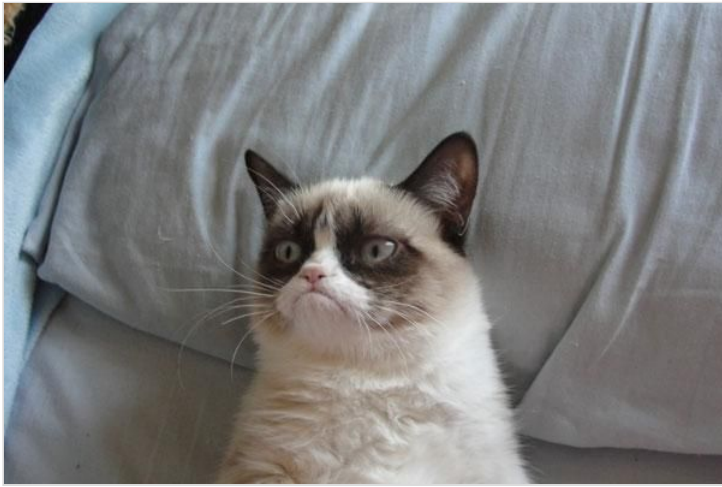

Grumpy

By Amal.

In this photo we can see a white grumpy cat with grey eyes.

This cat is a very famous meme and animal celebrity known from all around the world, called the grumpy cat. He is looking at someone who is probably his owner, with a very grumpy face.

In the background we can probably see a bed with a white pillow. The bed looks really comfortable and the cat look really cute in it.

Grateful

By Andres Gonzalez

The photo shows a woman who is grateful and with another. They are in their twenties and they seem happy.

STRESSED

By Paula Montero

In this photo we can see a boy who is working or studying at a table where he has a laptop, a smartphone, a cup of coffee and a file cabinet with some papers.

This guy between 30 and 40 years old (according to what I think) reflects a stressed person, probably because he has a lot of work and he think he doesn't have enough time to do it or maybe because he didn't understand what he are doing.

Scared

Andrés C.

In this foto there is a man on a chair scared by a mouse. The man is wearing a red T-shirt.

Stressed

By Lucía Hernández

In this photo we can see a man, who is in his office, very stressed.

He is in his 30s and he's wearing a brown plaid shirt.

Around him there are two people who are giving him the phone, papers and they are asking for a lot of things at the same time.

He is very stressed and in my opinion this feeling is reflected in the photo.

Enthusiastic

By Alejandro Pérez

This photo shows us a sunrise in a desert. In the middle of the photo we can see a man raising his arms. Probably he's 25-30 years old. He is wearing a red T-shirt and a black watch. He was running and now he's celebrating his time. He's a runner and he trains every day to improve. He seems so happy, enthusiastic and grateful. In my opinion is a very inspirational photo.

Enthusiastic

By Alba Cortés

In this photo I can see a man who is happy to have achieved anything. He's probably have 30 or 35 years old. He is wearing a red T-shirt.

THRILLED- Maria

In this photo I can see a girl excited by her grade in an exam. She is sitting on the grass and leaning on a tree. Behind her there are two people talking. It seems that the girl is young. She's probably have 20 years. She is wearing jeans and 2 shirts. One gray and one open checkered.

Happy

By Clara Garcia

In this photo I can see Two people jumping next to the sea.

In the photo they are jumping happily next to the sea at the sunset.

They might be two young girls between 15 and 19 years old (students from High School) that they've taken a photo in the afternoon. They might wear summer casual comfortable clothes for the beach.

They seem happy and excited because they may finished High School or they are in a party and they are having fun.

Word document
PADLET DRIVE

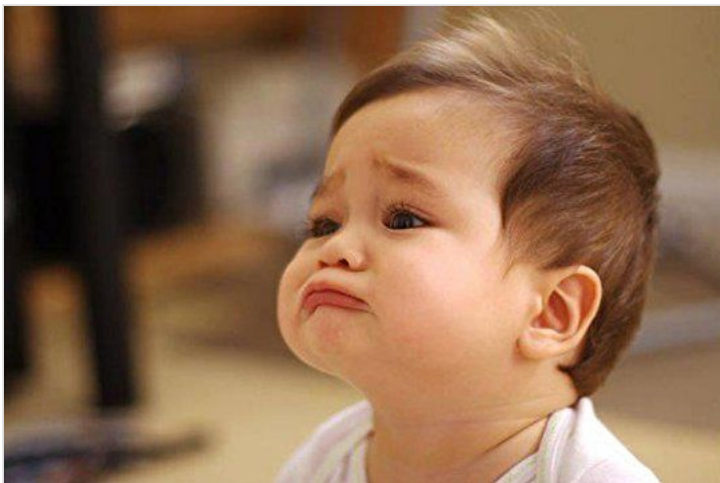

disappointed- Sara Ezquerra

In this picture I can see a little kid, who has, in the face, expressions that express disappointed feeling.

In this photo, I can't see all of his outfit, but it's possible to see that he is wearing a white shirt.

This kid looks like two or three years old. He is looking at something, or someone, that causes these expressions on his face. Maybe he is waiting or wants something and he can't have it, and for this reason he is disappointed.

In my opinion, this photo is very funny and lovely, because the face of the kid is very cute and makes me smile.

SCARED - Anna Ezquerra

This photo shows a girl who is scared for something.

In this photo I can't see exactly where she is or what she's

wearing. The only thing that I can see around her, is that she is in a white room with lights.

But then, I can't see if it's something material next to her.

The girl in the photo looks adult. She has blond hair, clear skin and big blue eyes.

In the image I can see in her eyes that she is frightened for something, that I don't know, and she has her hands in her face.

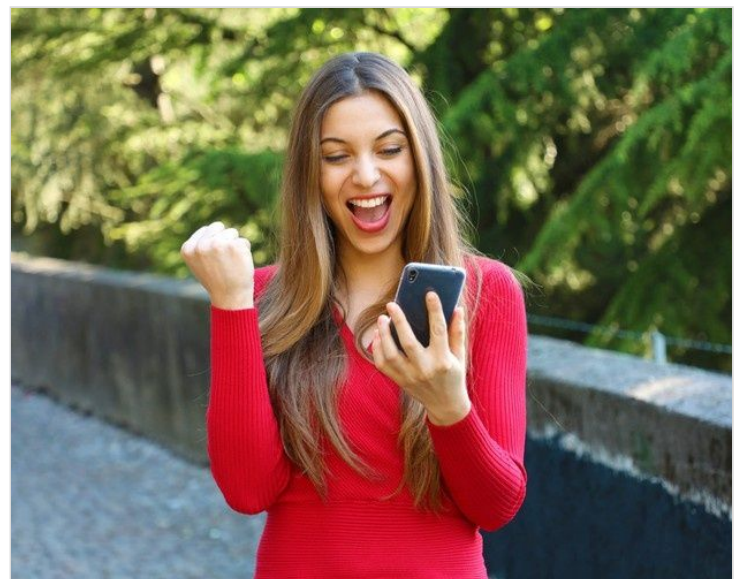

She probably was in her room, calm, when suddenly something happened that horrified her.

In my opinion, these photos show perfectly how people can react when something is scary.

EUPHORIC- Raul

In this photo we can see a girl who has the mobile in her hand and is euphoric about something that they have sent or seen, it could be a nice image or message. The girl will be about 28 years old and she wears a red dress and she is in a park or near a bridge where you can see trees behind her and there is nobody near her.

Grateful- Aya

This photo shows the time that I was studying in Ireland for three weeks.

We were in Cahersiveen. Behind us we have a river and we are holding two flags of Ireland.

All of us were about 15 and 19 years old. We are all from Spain but five of us are from Catalonia, two of them are from Valencia, and the rest are from the Basque Country.

We were all wearing jumpers jackets because even if it was August, there were days that were cold.

We were all students from the same school.

In this picture, we feel sad because it was our last day, we were all leaving that night. But now that I remember that time, I am grateful to all the friends and experiences that I did.

SURPRISED

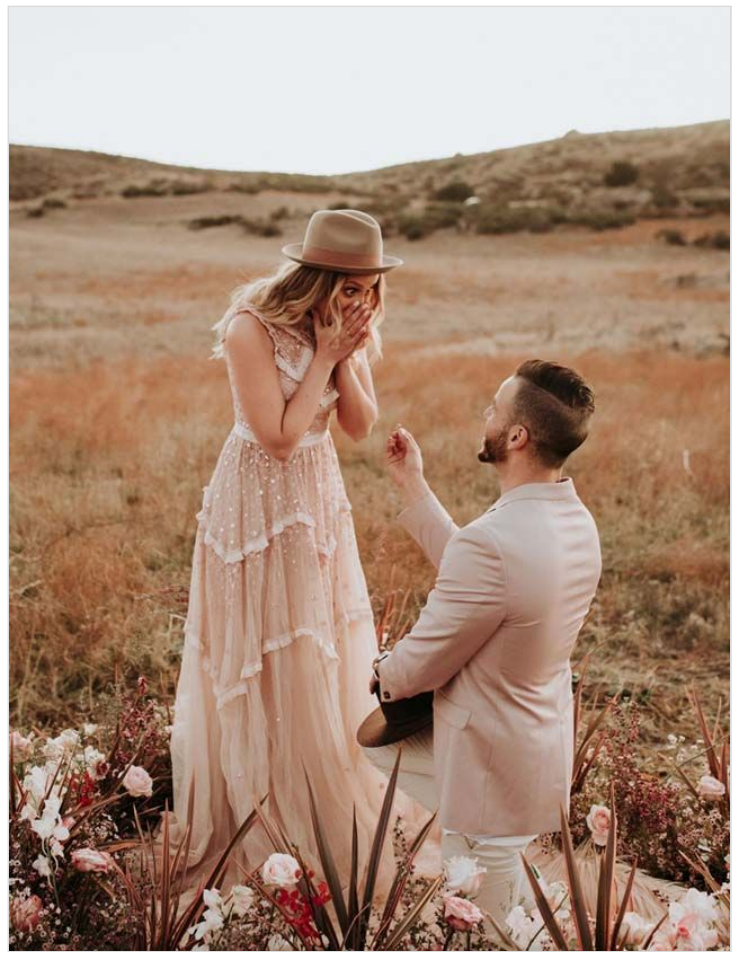

By Laura Caballero

In this photo you can see two people in the countryside. They are alone in the countryside, around them there are many flowers and plants. Behind them we can see some mountains with grass. We can guess that they're between twenty and thirty, probably the person who is taking the photo is between twenty and thirty like them.

We can see that they are wearing elegant clothes, so maybe we can say that they are taking photos at the moment that he proposes marriage to her.

She wears a beautiful long dress and a hat and he's wearing a skinny beige suit.

She seems very surprised and he seems very nervous but happy. In my opinion this photo is very beautiful because the marriage proposal is a fact that I love and I see it very important, because you mean that you always want to be with that person.

EXHAUSTED

By Sara Díez

The photo shows three people who have just finished a race and they are on an athletics track.

The three are in the front of the picture: the two women are in the middle and the young person is at the bottom's photo. We can also distinguish more runners and audience in the background.

We can guess they are between twenty and sixty, and so they are adults. They are probably running just for fun, as a hobby, since they don't look like professional runners.

They are wearing the typical clothes that athletes wear: brightly colored tight T-shirts, tight short lycra leggings, and running sneakers.

They three seem very tired, and probably they are proud of themselves.

In my opinion, this picture is so encouraging, because it shows that, even you are exhausted, you can do whatever you want. You can do it!

ENTHUSIASTIC: Laia

In this photo i can see a little girl.

She seems to be happy about something that he sees or that just happened to her.

It takes place in the street.
Looks like she's wearing a sundress.

From her young appearance it seems that he is not even studying in elementary school.

In my opinion children can often get excited about the smallest thing, and that is very adorable.

frightened

by Judit Martín

In this picture I can see two children by the age of 7 years old in the dining room.

The boy is behind her and he has a plastic spider in his hand wich scares the girl while she was watching a film.
He seems to be having a good time, because he scared her little sister.

They are wearing the pijama because maybe it's Saturday and they are relaxing from all week going to the school or other activities.

EXHAUSTED- laura padrones

This image shows a woman who has just finished a marathon. This woman is on the middle of the street, probably because she passed the finish line a few meters ago. She is in the middle of the photo because it shows the most important and relevant meaning of the image. She might be about 25 years old and she is wearing blue trainers, white socks, black sporty shorts, a yellow sporty tank top, a watch, a bracelet and sunglasses specialized in persons who practice these tipes of sport. She has two bottles, one on each hand.

In this picture I see she is resting. She feels exhausted so she is trying to control her breathing so that she can recover and feel less tired and exhausted. She is probably a common worker who loves sport and goes running whenever and wherever. She seems exhausted but proud of the well job she had done. She had to train a lot to do this marathon and she achieved her goal.

From my point of view, she finally achieved the aim of finishing this extremely long, difficult and exhausting marathon. This image encourages those who doubt if something they want to do is possible or not. This photo inspires them to train a lot and try it. If they want to do something, they can do it.

HAPPY

laura chueca

In this photo I can see a married couple. That photo is made in a forest.

The woman has a bouquet in her hand. The man is looking and smiling at the woman.

This photo expresses happiness and love.

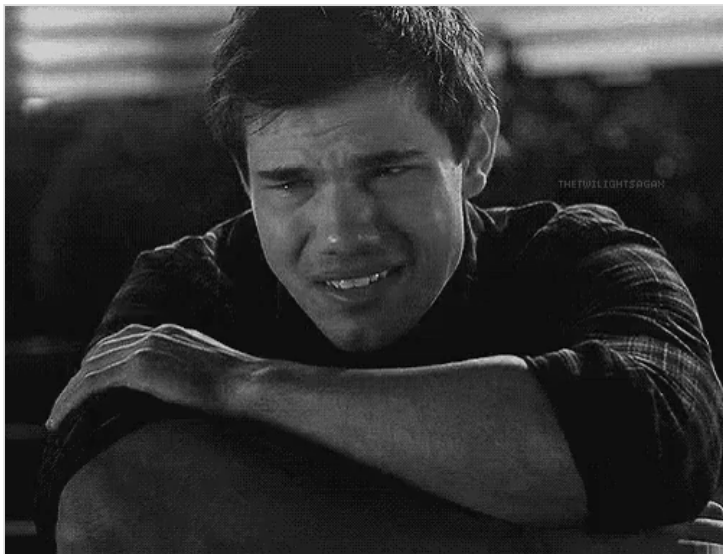

SAD:(

By Sara Creus

In this photo you can see a boy in his 20s probably sitting on the ground in the street.

It can be seen that he is alone. He is wearing a grey shirt. He must be a university student.

He seems very sad since he is crying, it may be that he has lost someone very important in his life or someone have given him very bad news.

CONFUSED

In this photo you see a boy and a girl, probably students who don't know the area or simple tourists. They are in a park with a map trying to know where they are or which direction they need to take to go to a particular site.

The two people are in the middle of the photo and in the background on the right you can see a white fence. On the other hand, if you look at the background in general you realize that there are trees, this fact explains that just behind the boy you can see a part of the trunk of a tree.

If you you look at the two people you see that they are in they

twenties. You can't see the clothes the girl's wearing as the map covers her top trunk but the boy's wearing a blue shirt. They seem confused as if they don't understand the map either.

In my opinion the photo is very interesting because this happens to everyone and oneself can feel identified.

By Aina Urgell

Jealous

by: Sònia Codina

In this photo we can see three people.

- a blond boy wearing a blue t-shirt.
- a happy girl wearing a pink t-shirt.
- and a jealous boy wearing a green t-shirt.

I think two of them are a couple, and the other is a random boy. In my opinion the boy who wears the green T shirt is jealous, because his girlfriend is looking at another boy.

We can't know the age of the characters because they are cartoon, but i think that they must be about 17.

SOME TIPS

These are some tips to describe your photos.
