

~~THE~~ WARRIOR

I sometimes wonder why,
staring on that tree,
birds can sing and fly
and I'm not allowed to be free.

If I could find a way to escape,
and leave away all this nightmare,
I would choose a peaceful place,
to cease to be a fighter.

If I could take off my heart,
I would hide it deep in a cave,
so that no one else tears it apart
and forbids me to be brave.

When I managed to break these chains,
I'll jump off a high cliff,
to stop being the thief without shames
those birds could never forgive.
