## INFORMATION TO PARTICIPATE IN EUROPEAN MOBILITY PROJECTS IN THE ERASMUS + FRAMEWORK. COURSE 2025-2026.

Professional departments that have requested scholarships for mobility projects for this 2025-2026 academic year **Administration and Management, IT and Communications, Electricity, Renewable Energies and Electronics and Telecommunications.**

1. The student must be enrolled at the La Pineda Institute during this academic year in the 1st year of the High Degree cycles of the participating professional families during this academic year.
2. Erasmus+ projects of stays abroad in other European community countries have as a main objective the efficient learning of the communicative competences in other languages. In Institut La Pineda this language is English.
3. The La Pineda Institute requests scholarships for projects of training stays in other countries of the European community, internships in companies, with part of the hours of the professional module of Training in Workplaces.
4. The projects will be carried out for a period of two months in the destination city and with the internship starting on **Monday, 05/25/2026** and ending on **Monday, 07/27/2026**. These dates can be modified depending on the requirements that the company/institution where the students can carry out their internships may request.
5. The number of hours of internships to be carried out each day will be agreed upon at the time with the company/institution in which the selected students will carry out their mobility.
6. The students chosen to carry out these mobilities agree to be in the destination city the day before the start of their mobilities and return to their destination the day after the end of their mobilities.
7. If the student is selected:
  - 7.1 Assume that the fact of participating in this type of stay conditions the NOT being able to request a total or partial exemption of 25% of the FCT module, if you can do so. During the 2nd year of the training cycle for which you are enrolled, you must complete the remaining hours of this module.
  - 7.2 Assume that the scholarship will not cover all the expenses of the project, travel, accommodation, maintenance, own living expenses, ..., which will represent a stay of two months, 61 days, in the destination country. For this reason, you agree to cover on your own the financial amount that exceeds the amount assigned as a scholarship.
  - 7.3 You accept that the end of the school year may be brought forward a few days at most so that, at the time of the start of the project, it has completed all the programmed content.  
In the event of not passing any RA in the ordinary call, the participating students have the right to have the corresponding make-ups made with the idea of being able to carry out their mobility on the scheduled dates
  - 7.4 You accept that the amount of the scholarship will be deposited in two installments into the bank account that you provide and of which you must be the owner. The first entry will be 80% of the scholarship, at the end of April-2026 or beginning of May-2026. The second entry will be the remaining 20%, it will be made in the middle of June-2026.
  - 7.5 You agree to apply for and have a valid Tarjeta Sanitaria Europea (TSE) and be its holder within two weeks of the start of your stay. If they do not have it, the selected students must assume the cost of possible insurance (travel assistance and health care).  
The selected students will have the insurance coverage that the Department of Education and Vocational Training has contracted for this purpose, for all students taking training cycles in Catalonia.
  - 7.6 You agree to follow the regulations that govern the Work Center Training module, so you will comply with the deadlines set by your internship tutor at the center and the company, as well as being responsible for filling out all the documentation that will be generated during your mobility.

- 7.7 You agree to keep all the documents that justify all the expenses generated by the stay (travel, internal transportation, accommodation, meals, maintenance and others).
- 7.8 If the stay is not completed, the student must return the full amount received as a scholarship.
- 7.9 Assume throughout the entire period of your stay that you are solely responsible for your actions and assume the consequences that these may have on third parties and other people's property, such as in the company or institution where you carry out your internship, in the place that serves as your accommodation during this period, any situation that involves an economic problem in this case must be assumed by the selected students themselves.  
The Institute's Management may open disciplinary proceedings against you.
- 7.10 The student agrees to take the linguistic support course on the OLS platform, **On Line Support**, in English during their internship. Before starting the mobilities, the student must have taken the initial level test and during the mobility the entire course and the final level test.
- 7.11 The student must fill out everything related to the follow-up of the internship on the **QBID platform**, completing the entire internship notebook on the same day that their mobility ends.
- 7.12. The student must complete the Europass curriculum during their mobility and the final **EU Survey** assessment survey once their mobility has ended.
