

BIODIVERSITY

DAY 1

CARIBOU AND REINDEER

Have you ever heard about Rudolf the Reindeer? Yes, the one with the red nose. Reindeers help Santa deliver presents around the world. But, what about caribou? Have you ever heard about them?

Watch the following [video](#) and answer the question:

- **What are the similarities and differences between caribou and reindeer?**

Write the answer on a piece of paper and put it in the box. Don't forget to write your name on it!

REWARD: **HOMEWORK PASS**

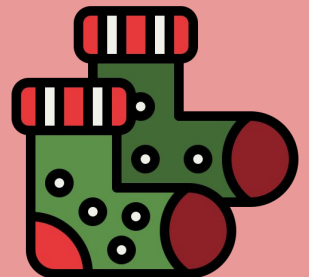

DAY 2

CHRISTMAS SOCKS

Today's challenge is simple: **wear Christmas socks to our next class.**

If you don't have them, ask your mum, dad, sibling or friend. That is, if you want to earn the reward!

REWARD: **+0,25 POINTS IN A PROJECT**

DAY 3

LET'S PROTECT THE WILDLIFE

Christmas is a busy time of year. We buy presents for our friends and family, gather together to celebrate the upcoming year and just relax and have fun.

However, the consumerism aspect of Christmas is dangerous for the thousands of endangered species around the world.

How can we help them? **Give us three pieces of advice to help protect the environment during Christmas.**

Write your answer on a piece of paper and put it in the box. Don't forget to use **should/shouldn't**.

REWARD: **LISTEN TO MUSIC FOR 10' WHILE WORKING**

DAY 4

TWEET WHAT YOU'VE LEARNT

What have you learnt during the week? It could be a complex concept, a simple fact about biodiversity, or even some vocabulary.

'Tweet' what you've learnt. Write it on a piece of paper and put it in the box.

REWARD: DEADLINE EXTENSION (PROJECT) - ONE EXTRA DAY

DAY 5

CHRISTMAS TREES

Watch the following [video](#) about the way that conifers (the group where Christmas trees and pines belong) reproduce.

Then, **translate** the following vocabulary:

Pine cone:

Pollen:

Seed:

And answer the following question: **Are conifers a primitive group of plants?**

REWARD: **CHRISTMAS CHOCOLATE :)**
