Hello!

I'm Fiona. I'm 12. My birthday is on the 20th July. My mum is 38 and my dad is 43. Mum's birthday is in July too and Dad's birthday is in September. I have a younger sister called Faye. Her birthday was last month. She's 9 now. I'm taller than her, but shorter than Mum and Dad. Mum isn't very short, but she's shorter than Dad. My feet are bigger than Faye's, but Dad's feet are bigger than mine, Mum's and Faye's. He's got very big feet. Mum has lovely, long hair. It's brown and curly. Dad, Faye and I all have short hair. My hair is brown, Dad and Faye have got blond hair. We are all nice and friendly, but I think Faye is the nicest person in our family! She so kind to people and she always helps them. We are all happy too, but I am the happiest in my family. Why am I the happiest? It's my birthday today.

Bye!

Hello! My name's Lucy. I live with my mum, my dad and my brother, Max. My dad's an office worker. He works in the city and he goes there by train. He sometimes drives, but he doesn't really like driving. My mum works in a hospital and she's a nurse. She sometimes works at night and she's often tired. My brother, Tim, is 18 years old. He's a student, but he's a shop assistant too. He works in a clothes shop on Saturdays. It's a fantastic shop and I really like the clothes.

I like shopping. Last Saturday, I was at the shopping centre with my friends. It was my birthday. It was fun. There were lots of people. It was very busy! Yesterday I was at a restaurant with my mum, my dad and my brother. My uncle and my cousins were there too. That was fun too.

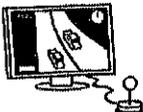

Bye!
