

## A BOOK

When I see you  
I think you're beautiful.  
When I close my eyes,  
I can imagine the world in you.  
When I touch you with my index finger,  
you can hear my heart,  
and I can feel your texture  
but you are only leaves full of letters  
with a beautiful love story inside.  
What am I?

“Amo a Leamsi”
