<b>01. Skiing/snow lessons with instructors.</b> <i>Profitability of lessons</i>	<b>I showed a lot of interest and made a big effort participating in the lessons with the instructor making the most of them. I did everything that was required and I have improved my initial level.</b>	I showed interest and I made quite an effort participating in the lessons with the instructor and I improved significantly my initial level.	I didn't make the most of my lessons with the instructor because I didn't show much interest in learning and little motivation in doing them.	I didn't show any interest in learning during the classes. I didn't take part on most of the lessons.
<b>02. Free skiing/ snow</b> <i>Profitability of free skiing</i>	<b>I took a lot of advantage of the free skiing time to put into practice everything I worked with the instructors and I also practised with my classmates.</b>	I just took a little bit of advantage of the free skiing time because I wasn't skiing or practising what I worked with the instructors.	I didn't take advantage of the free skiing time to put into practice what I had worked with the instructors.	I didn't practice any of the skills worked with the instructors or I didn't practiced anything during the free time.
<b>03. Safety and respect for the material</b> Following the instructions given by the teachers or instructors.	<b>I always followed the instructions and took great care of the skiing material</b>	I followed most of the time the instructions and I took care of the skiing material	It was difficult for me to follow the instructions and also to take care of the skiing material. In some occasions, I didn't follow the rules.	I never followed the instructions given by the teachers. I didn't take care of the skiing material. I was difficult for me to follow the rules.
<b>04. Habits off the ski slopes. Relationship with other classmates.</b>	<b>I always followed the rules on punctuality, organisation, respect, rest and relationship with my classmates most of the times.</b>	I followed the rules on punctuality, organisation, respect, rest and relationship with my classmates most of the times.	It was difficult for me to follow the rules on punctuality, organisation, respect, rest and relationship with my classmates.
