

Poster tools

	Things to improve	Explanation	Good things
Content 1		There are past, present and future tools. They follow a logical path.	
Content 2		The explanation of the tools is accurate. There are references.	
Content 3		The pictures are appropriate. The picture of the future is designed by the students.	
Media visual		Good colours, good contrasts, visual attractive.	
Orthography		There are no orthographical mistakes.
