

## Summer work 2nd of ESO 24-25

Hello everybody!

High school has finished, and it is time to enjoy our well deserved summer holidays! Despite that, as you know, it would be great if you spend a tiny piece of your time doing some summer work so as not to be disconnected from the English language the whole summer.

The English Department of our High School has prepared a series of different activities IN A SPECIFIC CLASSROOM COURSE CALLED "SUMMER WORK 2nd OF ESO" so you can practice a little bit.

- If your final 2nd of ESO mark is **NA** (*no assolit*) you **MUST** complete the **DOSSIER and DO THE EXERCISES FROM THE LISTENING BLOCK**. You have two months, you will have plenty of time to do it. Organise your work! Remember that **it is COMPULSORY if you want to resit the subject (apart from passing with an AS the 1st term of 3rd of ESO)!!!**
- If your final 2nd of ESO mark is an **AS**, I highly recommend you to do the **DOSSIER and DO THE EXERCISES FROM THE LISTENING BLOCK**. You have two months, you will have plenty of time to do it. Organise your work! Remember that if you work hard this summer and deliver some tasks, your 1st term mark in 3rd of ESO will be increased if you have an AS!
- If your final 2nd of ESO mark is an **AN** or **AE**, you can do the SdA5 dossier since we didn't finish it and/or choose any of the proposals. The more, the merrier!  
Remember that if you work hard this summer and deliver some tasks, your 1st term mark in 3rd of ESO will be increased if you have an AS!

**Be creative, imaginative and use digital tools if you want to!**

How to deliver summer homework:

- You can print the different exercises and then give them to your 3rd of ESO\* English teacher **the first week of 3rd of ESO in September**.
- You can submit the different exercises to the classroom also **the first week of 3rd of ESO in September**.

(\*if you don't know who your 3rd of ESO English teacher is going to be, don't panic, you will know the first day of class, so you can share or send the document).

Hola a tothom!

El curs ha acabat i és hora de gaudir de les merescudes vacances. Tot i això, com sabeu, seria genial que poguéssiu dedicar una estoneta del vostre temps a fer algunes tasques per tal que no desconnecteu de l'anglès al 100%.

Us he preparat una sèrie d'activitats QUE TROBAREU EN UN CLASSROOM QUE TÉ PER NOM "SUMMER WORK 2nd OF ESO" perquè pugueu practicar una mica.

- Si la teva **nota final de 2n d'ESO és un NA** (no assolit) has de fer el **Dossier i FER ELS EXERCICIS DEL LISTENING BLOCK**. Teniu dos mesos, per tant, teniu molt de temps per a poder-ho fer. Organitza bé el teu temps!! **Penseu que en tenir un NA, és OBLIGATORI per recuperar la matèria!!**
- Si la teva nota final de 2n d'ESO és un AS, et recomanem que facis el **DOSSIER i els exercicis del LISTENING BLOCK**. Tens dos mesos, per tant, tens molt de temps per a poder-ho fer. Recorda que si fas i entregues algunes de les tasques d'estiu, si aprofites el primer trimestre de 3r amb un AS, entregar els deures pot fer que pugis la nota!!
- Si la teva nota final de 2n d'ESO és un AN o un AE, pots fer el dossier de les SdA5 que no hem pogut acabar i/o escollir qualsevol de les propostes dels diferents blocks i gaudeix!! Com més facis, millor! Recorda que si fas i entregues algunes de les tasques d'estiu, si aprofites el primer trimestre de 3r amb un AS, entregar els deures pot fer que pugis la nota!!

**Sigues creatiu/creativa, imaginatiu/va i fes servir qualsevol dels recursos digitals que coneixes.**

Com entregar les tasques?

- Pots imprimir els diferents exercicis i entregar-los a la teva professora/r de 3r d'ESO\* al llarg de la primera setmana de curs al setembre.
- Pots entregar els diferents exercicis pel Classroom dels deures d'estiu, al llarg de la primera setmana de curs al setembre.

(\*si no saps qui serà la teva professora d'anglès, no t'estressis!! El primer dia de curs ho sabràs i per tant, ho podràs entregar).
