

Dear Pen Pals,

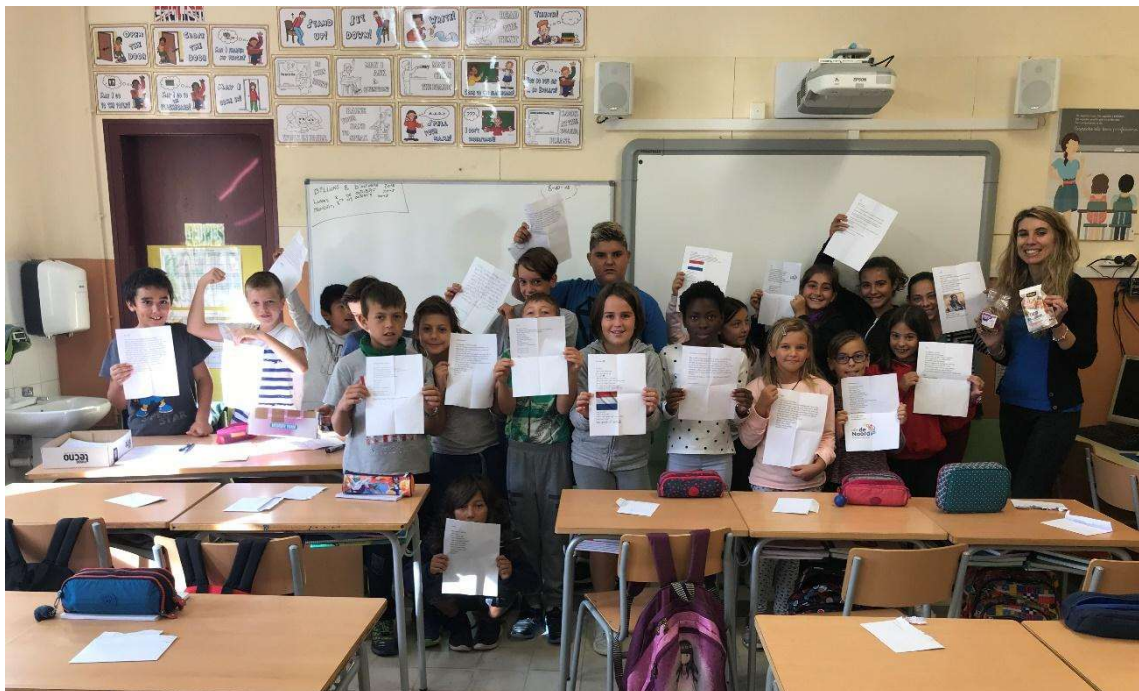

We are really happy to hear from you. I'm Jasmina, the teacher of the 5th and the 6th grade of Mont Cós' school. I'm 28 years old and I love my job! We are 19 pupils in class, 9 girls and 10 boys from 10 to 12 years old.

We are from Catalonia, in a little town of Girona called Montagut. We live near Barcelona, maybe you know this popular city because of the football team "Barça". We speak Catalan and we are learning 3 languages at school: Catalan, Spanish and English. We hope to improve our English sharing information with you.

We have got a letter for each of you asking some questions about you, answering your questions and adding some personal information.

We have added some typical cookies! :) I hope you like it! And our photo.

I'm looking forward hearing from you soon. Maybe sending an e-mail? All of us have an school account that we can use to be in contact...

Lots of kisses and big hugs!

JASMINA
